

RHODODENDRON OUTDOOR PILLOW

FUSCHIA • SC 0001 RHODMPILL

Printed Fabrics from the Coast To Coast - Indoor/outdoor Collection by The House of Scalamandré

WHAT MAKES THIS PILLOW SPECIAL

Created from hand-painted artwork from the Scalamandré archive, Rhododendron was originally launched in 1980 as a residential rotary print, then relaunched in 2009. We are proud to reintroduce this classic floral for its third generation as a performance fabric suited for indoor and outdoor use. Digitally printed on a bleach cleanable, high abrasion, UV polyester ground, this multi-colored print throw pillow makes the perfect companion for a poolside chaise or summer seating on the veranda.
