**Important-Please read these instructions fully before starting assembly**

# ⚠ Safety and Care Advice

**Important-Please read these instructions fully before starting assembly**

- Check you have all the components and tools listed on pages 2,3 and 4.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft, level surface to avoid damaging the unit or your floor.
- We do not recommend the use of power drill/drivers for inserting screw, as this could damage the unit. only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

## Care and Maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

## Components - Panels

# Components - Panels
