To order replacement parts, email or call. Have the part number and quantity ready. Replacement keys may be ordered using the code that appears on the face of the lock. Not all parts are covered under warranty. Those parts not covered can be purchased.

SIDE HANDLE INSTALLATION

The side handles need to be installed. Attach each side handle using the four screws provided.

MAINTENANCE

Periodically clean the unit surfaces with mild detergent and water.

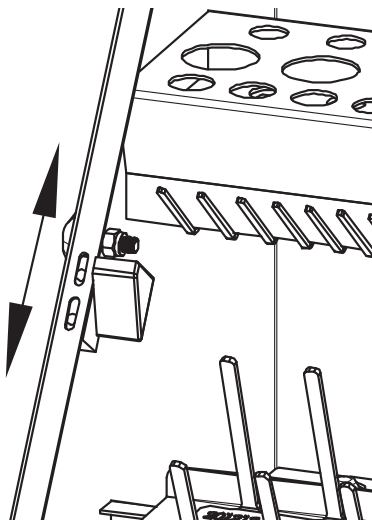

Auto wax can be used on painted steel (not on aluminum) toolboxes to preserve the unit's luster finish and protect against scratches. Apply the wax as you would to a car.

Grease and oil can be removed with most standard cleaning fluids. For safety, use a nonflammable cleaning fluid.

TROUBLESHOOTING

The position of the strikers can shift over time, causing problems closing and latching the lid.

To fix this problem, loosen the screws holding the strikers in position on either side of the toolbox. Adjust the position of the strikers until the lockbar engages the strikers properly when the lid closes. Tighten the screws securely.

SAFETY

WARNING

Do not attempt to lift the unit by its side handles using chains, ropes or other lifting devices. The side handle could fail, which may cause personal injury or damage to the product.

Do not stand on the toolbox.

Do not alter this toolbox in any manner. For example, do not weld external lockbars or attach electrical equipment. This may cause product damage or personal injury.

Lock the lid before moving this product. The lid could come open and make the product unstable, which may cause personal injury or product damage.

Be careful with sharp edges.

CAUTION

The maximum product weight, including contents, is 500 lb (226.8 kg).

Keep the product on level surfaces. The product could become unstable and tip if stored on an uneven surface, which may cause personal injury or product damage.

Always wear ANSI approved safety goggles when working with tools and equipment.

This product is warranted to be free from defects in materials and workmanship for a period of five (5) years from the date of original purchase.

If the product is defective, we will replace the defective part at no cost to you. Please do not ship your product back to the store or to us unless we send you written instructions for return.

In the event it becomes necessary for your product to be returned, we will notify you how to proceed.
A copy of your original purchase receipt must accompany the returned product.
