

【 SUPER BRIGHT AND ENERGY SAVING 】 This shoebox LED retrofit kit provides uniform 21,000lumens at 150W with an incredible Lumen Efficacy of 145 Lm/W to replace 650W MH/HPS/HID traditional light fixtures, effectively saving 90% of the amount on your energy bills. 80+ CRI Rating and 5700K daylight for super bright outdoor large area lighting.

【 RETROFIT OLD LIGHTING FIXTURES, SAVE MONEY 】 Advanced SMD3030 chips and Meanwell driver ensure our LED shoebox retrofit kit high efficiency, long life and high reliability. Excellent heat dissipation system with overheat protection sensor, aluminum heat sink and high speed fan to protect leds at lower operating temperature. Longer lifespan of 500,00 hours, that's about 23 years of 6 hours per day, which will reduce maintenance cost dramatically.

【 EASY & SAFE INSTALLATION 】 Shoebox led Retrofit Light Kit has a wide 120 degree beam angle. Just connect the E39 base and Meanwell driver to the fixture socket to quickly replace damaged old bulbs. No need to replace existing fixtures. Adjustable U bracket for horizontal and vertical mounting. Please check retrofit kit picture and dimensions to ensure fitment.

【 ETL ENSURE WIDE APPLICATION 】 YELLORE retrofit kit with ETL certifications, ETL approved for use in light fixtures, lowest maintenance, risk-free purchase. Rated for 277-480volts. High Bay led retrofit kit is perfect for retrofitting existing high bay, low bay, wall pack, led parking lot pole lights, led tennis court lights, led shoebox light, and many other types of fixtures.

【 BEST SUPPORT TEAM & 5 YEARS WARRANTY 】 5 Years Warranty for our MH/HPS/HID replacement retrofit kits, easy and fast replacement is offered if any quality issue. Any questions, please be free to let us know, we can provide you best support!

Specification:

Rated Power: 150W

Power Supply: MEANWELL Driver

Input Voltage: AC 277-480V/ 50/60Hz

CCT: 5000K

Operating Temperature: -31°F-131°F

LED Chip: SMD 2835

Lifespan: > 50,000 Hours

Materials: Aluminum

Equivalent: 650W HID

Package include:

1 x LED Retrofit Kit Head

1 x MEANWELL Power Supply(277-480Vac Input)

1 x E39 Screw Base
