

INSTALLATION GUIDE

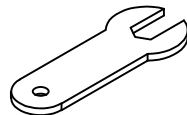

A=14

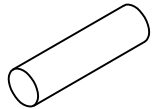

B=14

C=14

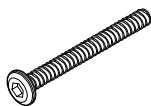

D=1

E=16

F=10

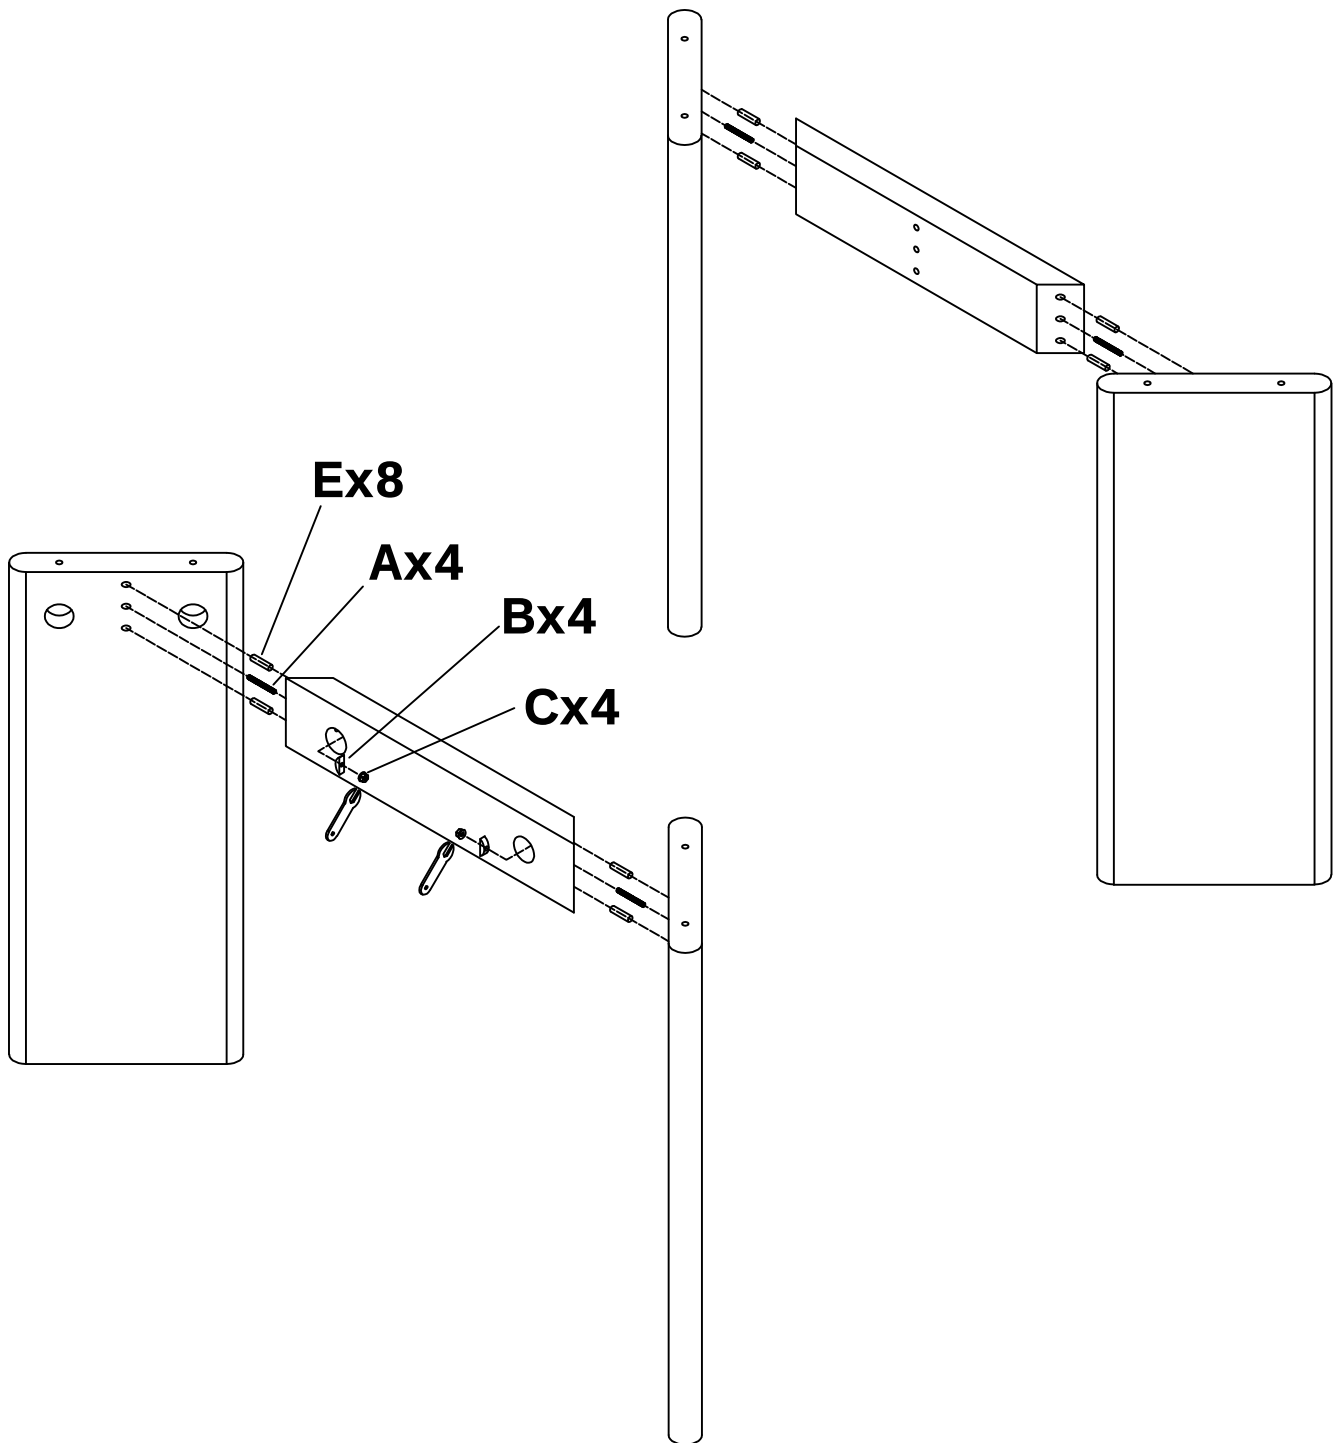

G=9

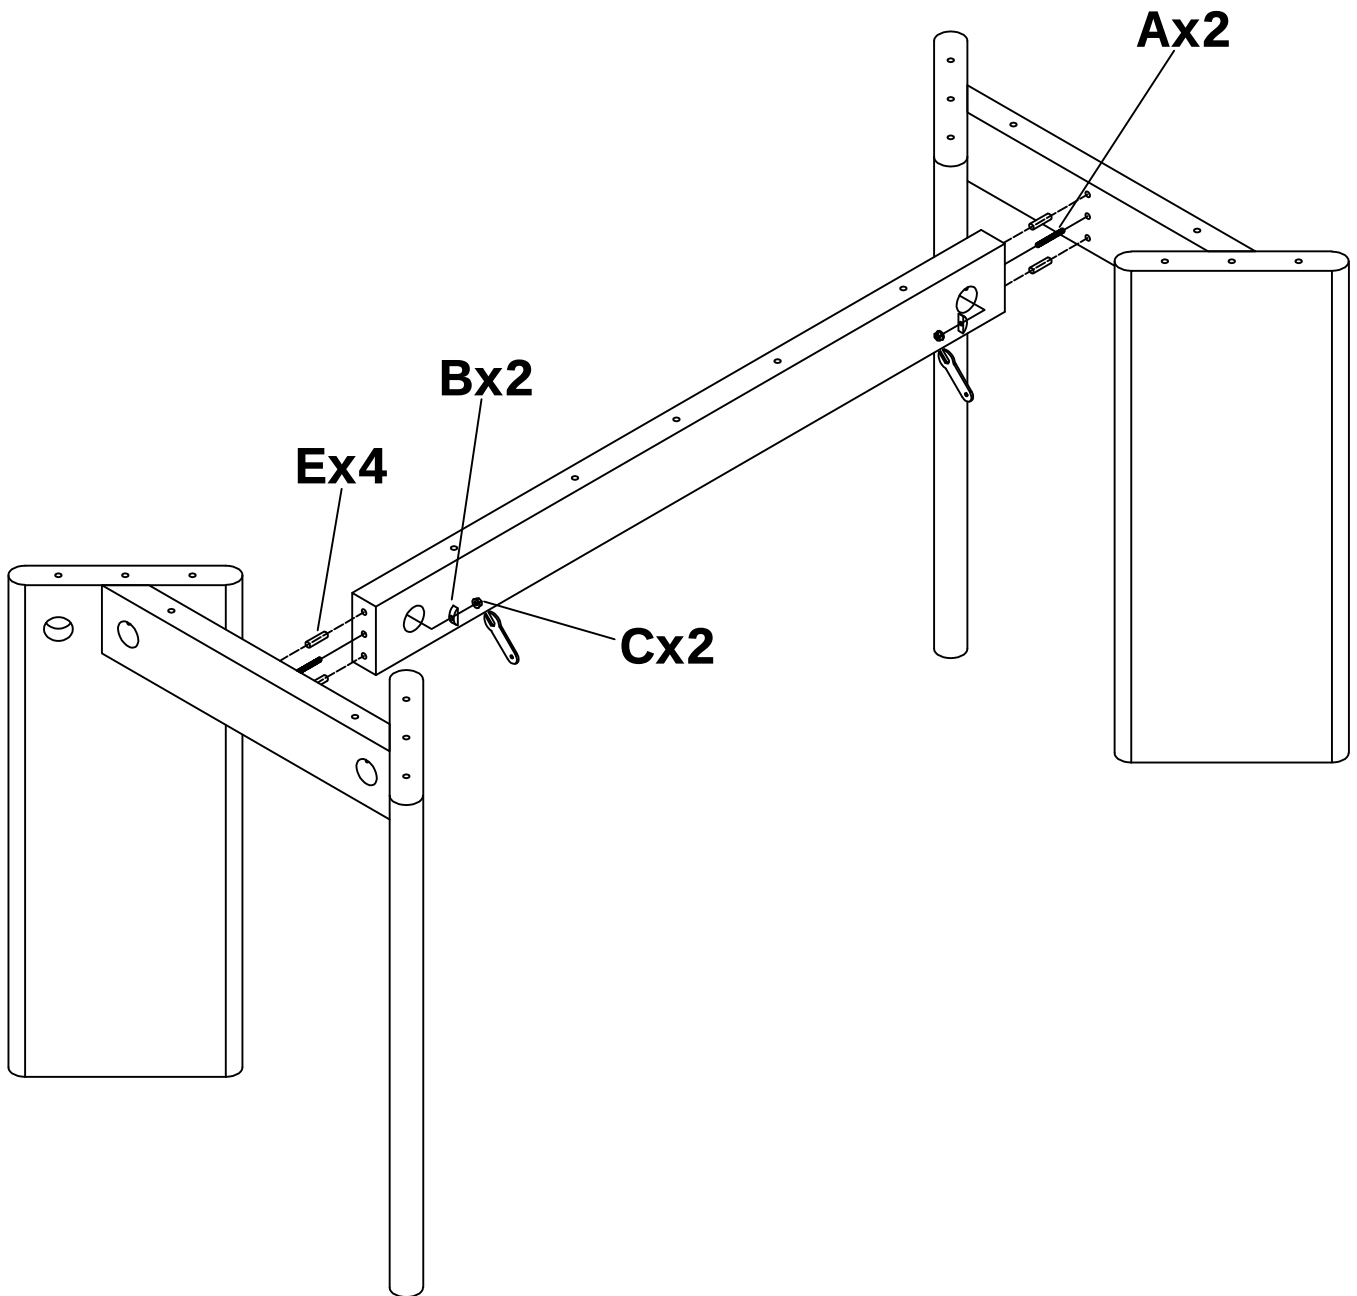

H=1

Step 1

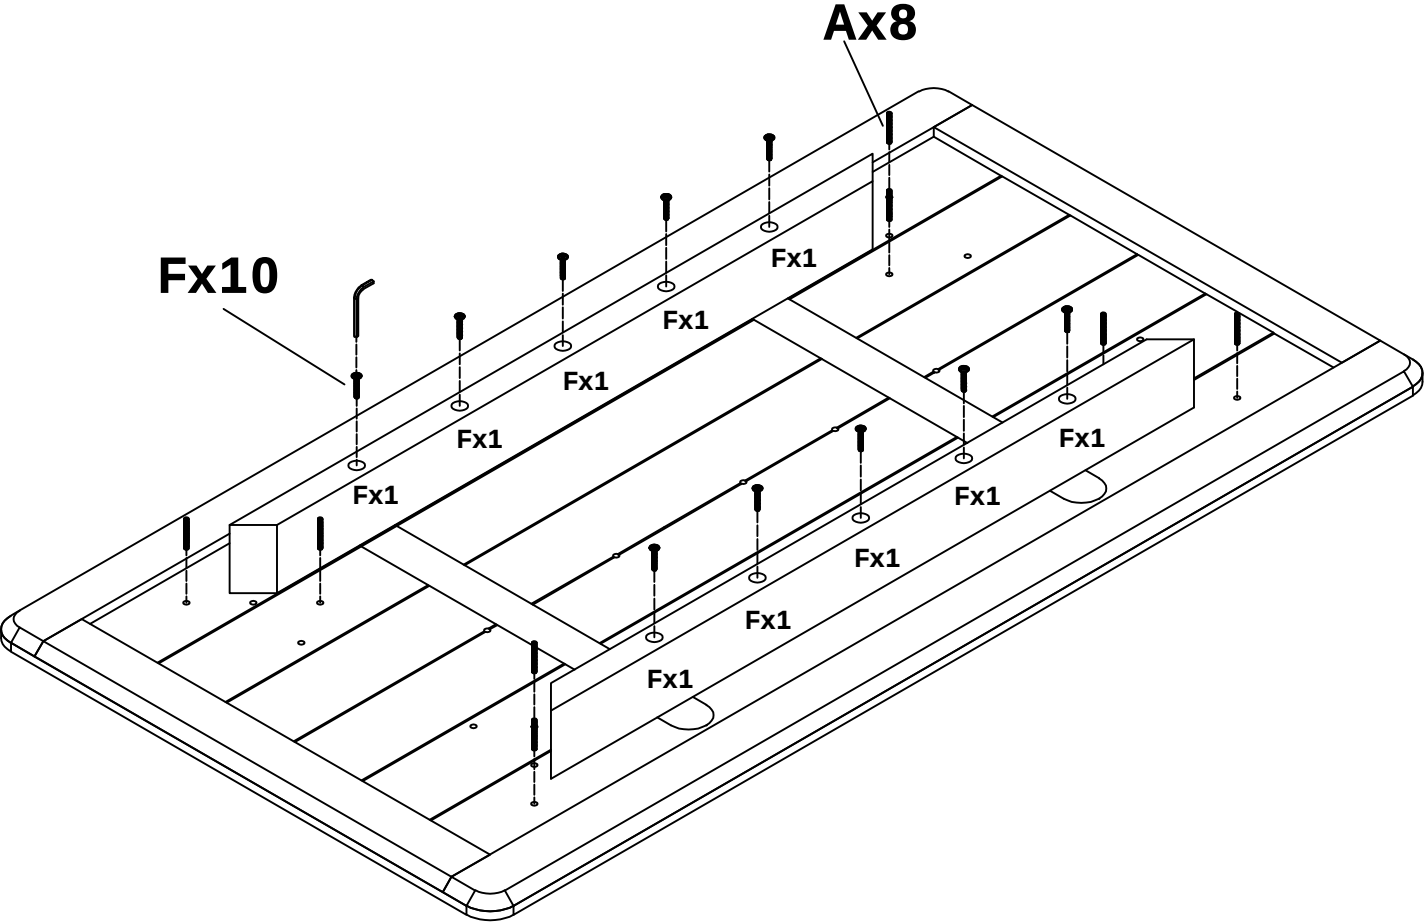

When installing Part A into the table leg, do not tighten it too far. This ensures there is enough space left for the connecting rod to be properly secured later.

Step 2

When attaching the Part E, the hole may tight. You can use a hammer or similar tool to gently tap it into place (note: avoid excessive force to prevent damage)

Step 3

Step 4
