

Voltage

110V

Drop Length

Adjustable to 120"

Description

Mouth-blown in Murano, Italy. Signed "Oggetti." The glassblower applies a wrap over a gather of glass and then pulls the undulating pattern. A contrasting rim is created with a bead of glass. Silver leaf is then applied to create iridescence. Bead sets are handmade in Venice, Italy. Antique brass hardware with black or gold silk cord.

Additional Information

An alternative bead set is available that reduces the overall drop from 36" to 28". Please specify on order.

No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty.
