

Included with the PLJL Classic: Push Buttons with LED Display for Easy Control

PLFL Classic & Classic Dual

With the PLJL Classic series, you can build your beautiful custom hood and enjoy the exceptional power and design of our range hood inserts. As part of our newest Professional Series, these Custom Range Hood Inserts are designed from the ground up to be easy to configure just the way you want and easy to install. You can choose between a powerful 600 CFM single blower or a robust 1200 CFM dual blower, both engineered to run quietly and efficiently. The single blower operates at a maximum noise level of 4 sones, while the dual blower runs at a maximum of 6 sones. Both options have a regular running volume comparable to a quiet conversation, making them extremely quiet and easy to converse around. Importantly, they are easy to clean and made from 100% Stainless Steel to ensure flawless performance for years.
