

Merkled Shelf Series - Shelves + Shooks®

Product Information:

The Merkled Shelf Series combines the simplicity of folded aluminum and integrated hooks.

The Shelf Series was designed to pair well with the Merkled Coat Hook but also stands strong and simple on its own.

Dimensions:

5" Shook - 3" H x 5" W x 4" D (from wall) - right and left direction

Colors: white, grey, mint green, emerald, matte fine textured black - custom colors can also be arranged

Material: powder-coated aluminum

Origin: made in Portland, Oregon

Lead Time: 2-3 weeks if not in stock

Commercial grade, for indoor / outdoor spaces - durable lightweight aluminum guarantees no rusting over time

Included hardware: 2 drywall anchors - use 3/16" drill bit
2 powder-coated stainless screws

Weight bearing capacity 25 lbs when proper anchors are used.

Recommended to use best anchors for substrate per installer or contractor recommendation.

Merkled Studio not held liable for product malfunction or injury due to installation.
