Product Description: From the champagne silver metal stretchers forming a graceful X shape to the serene gray beige wood finish, the Elixir Console Table is an expression of soft modern artistic style that exudes simplicity and well-being.

Collection Features: Elixir is a casual contemporary collection that, like its name implies, exudes a feeling of comfort, simplicity and well-being. While Elixir has crisp, clean lines, character and visual interest are also achieved through the use of texture. Textural interest comes from the use of lightly sand-blasted walnut veneer, light texture applied to the metal elements along with a hand-carved texture added to the surface of select pieces such as the oval mirror and the round dining table. The buffet offers a beautiful carved starburst pattern on the doors.

Status: Active

Finish: A serene gray beige finish applied to lightly sand-blasted walnut veneer for an organic and textured look. Champagne silver finish on the metal elements and hardware. Custom-designed knob hardware in a champagne silver finish.
