### Important Ordering and Installation Information

- Before ordering or installing, consider access to equipment.
- Integral flat front skirt is not removable.
- Must specify left- or right-hand drain when ordering.
- Use proper bedding compound to fully level and support the tub.
- Tubs equipped with an air system or factory installed pre-leveled foam base are designed to install directly onto a flat level subfloor.
- Location of all therapy components is predetermined and cannot be changed.
- Suction and control locations may vary.
- Options listed cannot be combined with Designer Collection options.

- Before discarding tub crate, check for accessories that may be packaged inside.
- All product measurements are  $\pm 1/2"$ .
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.

CSA # MTIS-ISC6032  
Effective 030121
