

# Sensate® With KOHLER Konnect Technology

Touchless Kitchen Faucet With KOHLER® Konnect Voice-Activation Technology

Compatible With Smart Home Speakers

## Response® Touchless Technology Faucet

Touchless on/off with a wave of your hand or an object such as a utensil

## Voice Control

Allows hands-free activation to turn the faucet on or off, pour specific amounts and fill preset measurements\*

## App Control

Using the app, you can control the faucet, create presets and monitor water usage

## Battery-Free

AC power means no batteries to replace

## Override

Faucet can be operated manually in the event of a power loss

## Auto Shutoff

Faucet automatically shuts off after four minutes of inactivity

## LED

Lets you know faucet is operational and ready to use

## DockNetik® Magnetic Docking System

Securely locks sprayhead in place to prevent drooping

## Two-Function Pull-Down Sprayhead

Touch-control allows you to switch from stream to Sweep® spray for rinsing and deep cleaning

## KOHLER Konnect™ Technology

Enhance touchless faucet functionality using voice control. Voice control allows hands-free activation to turn the faucet on or off, pour specific amounts, and fill preset measurements.\*

Sensate with Kohler Konnect pairs with Amazon Alexa, Google Home and Apple Home Kit.†

1.5 gpm (gallons per minute) at 60 psi

\*When dispensing measured amounts, minimum of 8 oz. is required; accuracy may vary depending on water pressure and flow rate

†Siri can be used across your Apple devices and is limited to on/off control
