

SferA

MARBLE EFFECT KETTLE

BLITZ

The SQ Professional SferA Kettle, from the Blitz Range, is an essential item for any kitchen, featuring a unique, eye-catching design, with a generous 1.8 litre fill capacity and a powerful 2200-watt, rapid boil element, you'll be able to make the perfect cuppa, in style, at any time.

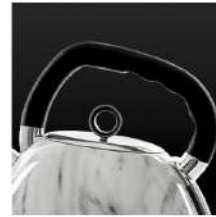

Practical

Designed for your convenience, the SferA Kettle comes with a 360-degree swivel base which allows quick and easy handling for both left and right hand users. To help you maintain a clean and tidy kitchen, the SferA Kettle comes with a concealed cord storage compartment. With the easy-to-view water gauge included in the design, you can accurately monitor how much water you fill the kettle with, and save time and energy, by only boiling the exact amount you need.

Eye catching

The SferA Kettle features flawless curves, a stunning marble look finish and quality stainless steel housing. With the combination of these stylish features, you can bring a truly elegant, modern and unique look to your kitchen. Added to this, the SferA Kettle comes in three different colour options, so you can choose the perfect match to suit your kitchen.

Safe & Convenient

With the soft touch, anti-scald handle, you can always make your favourite hot drinks, safely. Next to this, the handle has a weightless feel to help you comfortably use the appliance without straining the wrists. With the water filter built into its design, you can relax knowing the water you receive, from the kettle, is always clean and clear from impurities; as the water filter is easy to remove from the kettle's large spout, its quick and simple to clean, whenever you require.

LED Light indicator

The handy LED light indicator incorporates modern technology into the SferA Kettle's bold design. This feature will activate when the kettle is turned on and makes it easy to monitor when it's in operation; it also doubles up as a useful feature when you need to make a quick, late night coffee or early morning brew before the sun comes up.

Re-vamp your kitchen with the hottest fashion trend. SferA Kettle is the 2020 kitchen appliances' trend setter.

SferA marble effect kettle is not only stylish, but also practical.
