IF YOU PURCHASED THE PRODUCT ONLINE AND HAVE

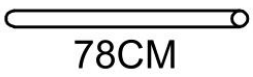

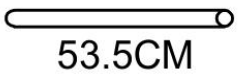

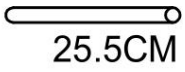

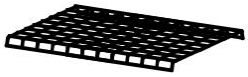

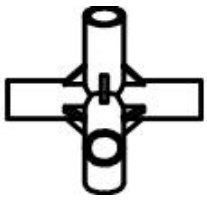

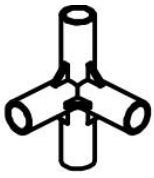

ANY QUESTIONS OR CONCERNS

PLEASE CONTACT US VIA EMAIL,TEXT,OR PHONE

Before You Start

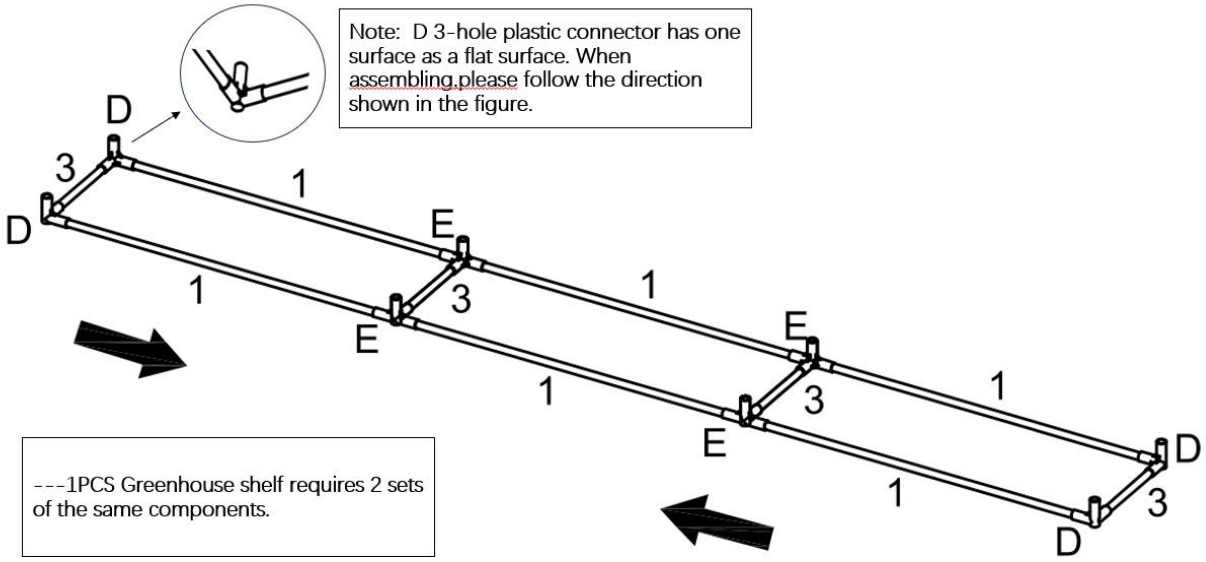

1. Please read all instructions carefully.
2. Retain instructions for future reference.
3. Before assembly, separate and count all parts and hardware.
4. Read through each step carefully and follow the proper order.
5. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use,to avoid moving the product unnecessarily once assembled.
6. Always place the product on a flat, steady, and stable surface.
7. Keep all small parts and packaging materials for this product away from babies and children as they potentially present a serious choking hazard.

Parts list

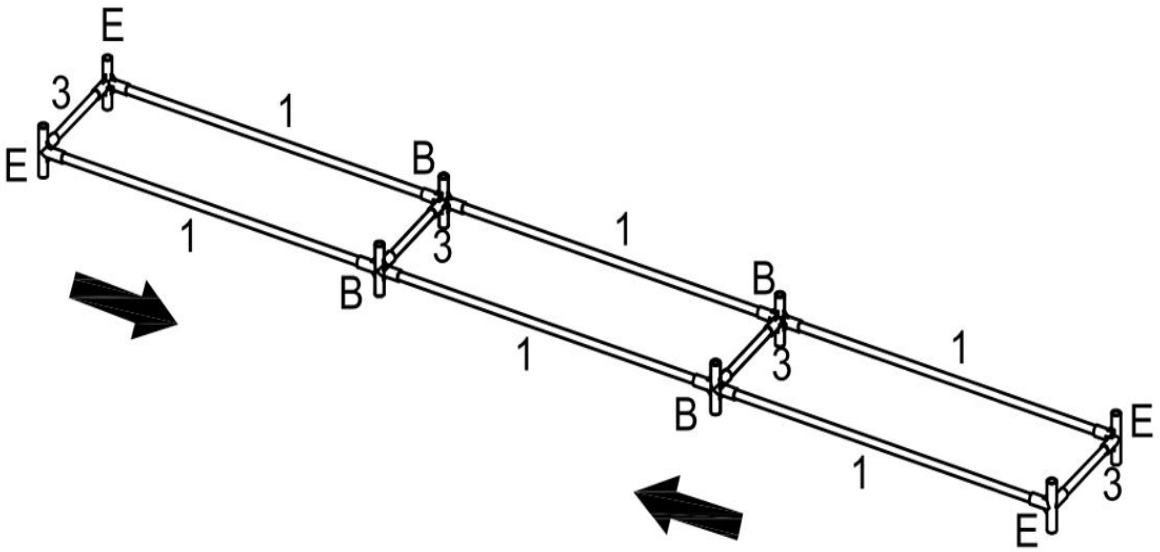

1. Long tube  **X18**	**2. Riser support**  **X16**	**3.Short tube**  **X12**	**4. Metal mesh plate**  **X9**
B. 5-hole plastic connector  **X4**	**D. 3-hole plastic connector**  **X8**	**E. 4-hole plastic connector**  **X12**	**Z. Nylon cable tie**  **X40**

Assembling step
