

Assembly Instructions

Thank you for purchasing this product. Be sure to check all packing material carefully for small parts that may have come loose inside the carton during shipment.

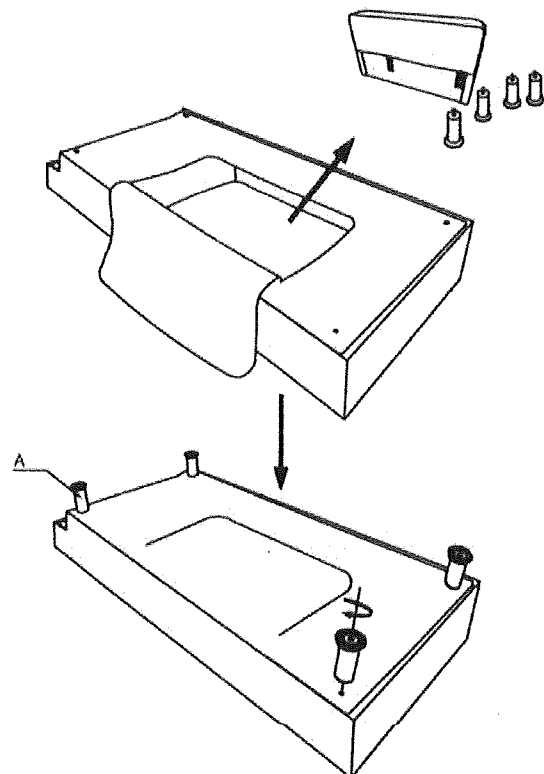

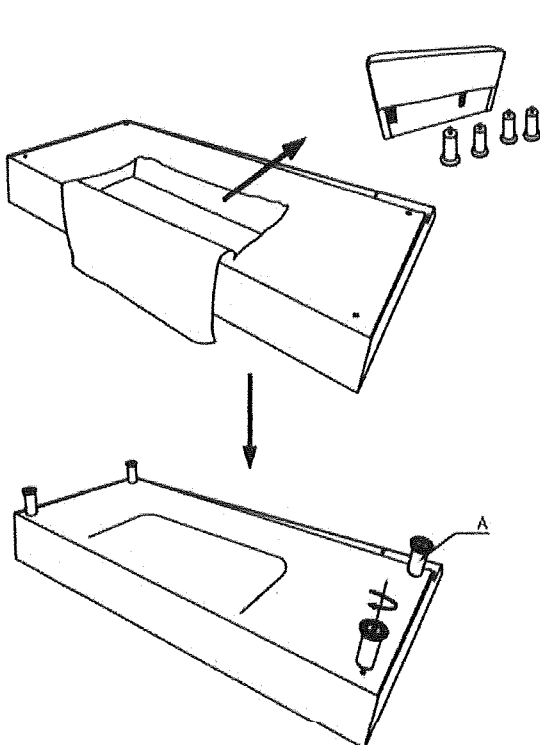

A		8 Pcs	B		1 Pcs
---	---	-------	---	--	-------

It is required that at least two people assemble this product. In order to assemble accordingly please follow all instructions in order.

Step 1. Have the sofa and chaise upside down, there will be a zipper located in the center of the chaise and sofa like the image. All parts will be in the zipper compartment. Make sure all parts are taken out before going forward. After all parts are taken out, close up the zipper. Locate the holes on the corners of the sofa and chaise and twist on the legs tightly. Once all 8 legs are assembled you may carefully flip them over.

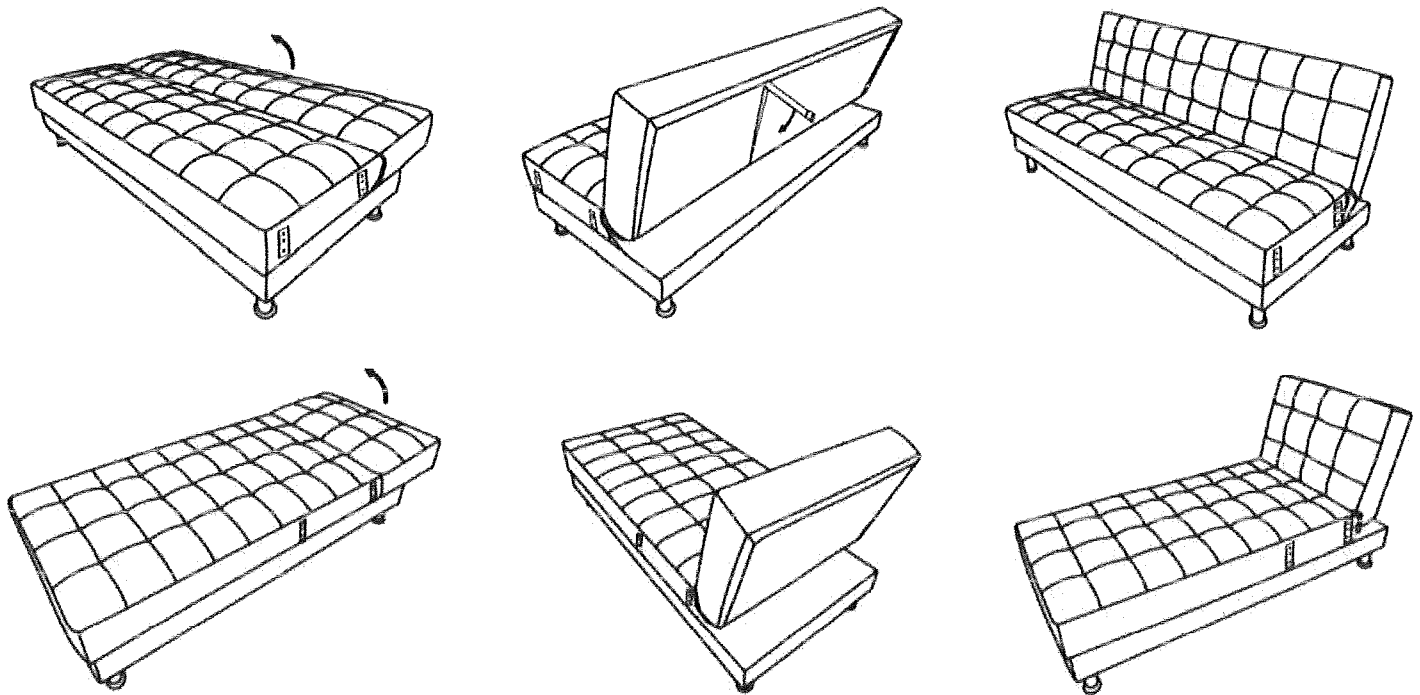

Note: Some parts may have shifted during transit and might've been loose .

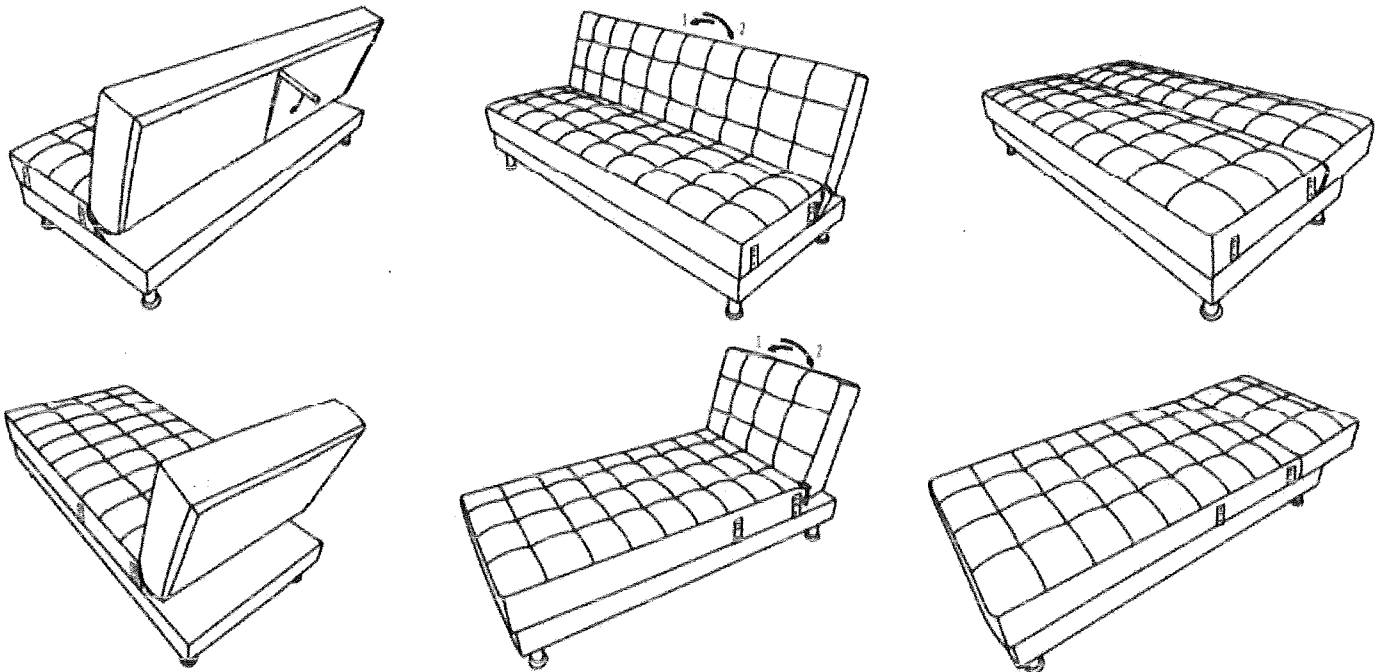

Your new sectional is multi-functional! The back of the sofa and chaise each have the sofa bed mechanism which can lay flat. Standing from the back, gently push forward until you hear the clicking mechanism to unlock it. To go on forward please choose which position you would like your sectional to be in.

To have the sofa part to be flat, first take out the metal support leg in the back which can be found on the center back in the zipper

Step 2. Connecting the chaise and sofa.

Locate the hinges on the sofa and on the chaise. To have the chaise on the right side, the sofa will have to be lifted up to connect to the hinges on the chaise. Make sure that both hinges are inserted.

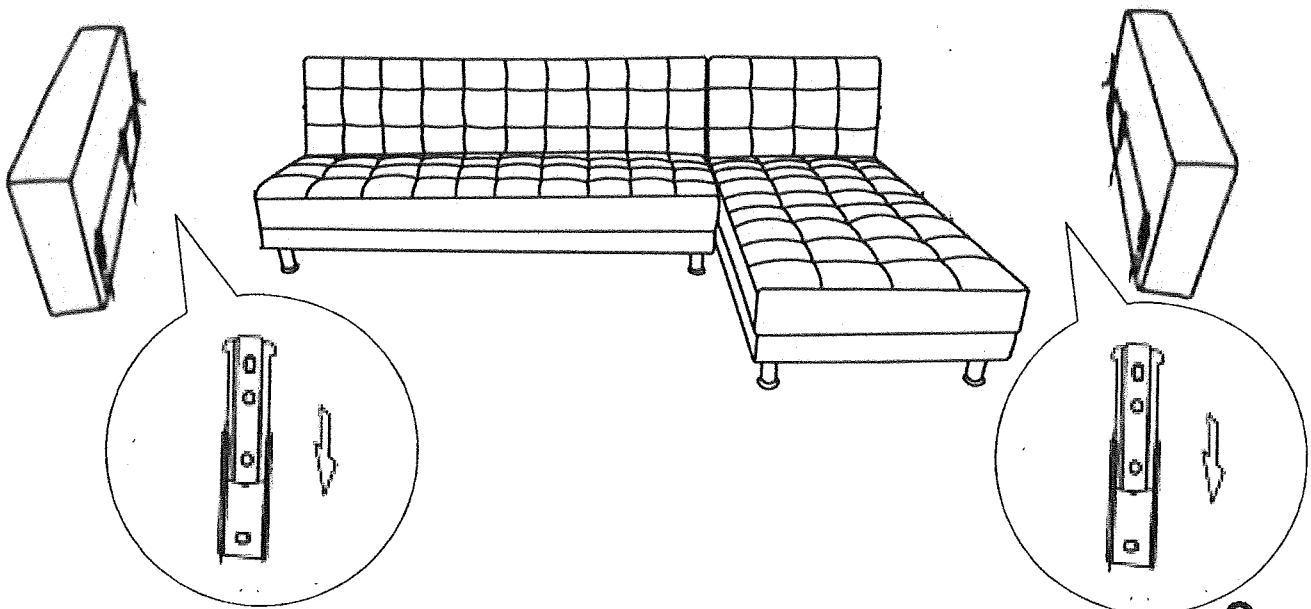

Note: If the hinges do not align, you can use a screwdriver to adjust the hinges to the correct position if needed.

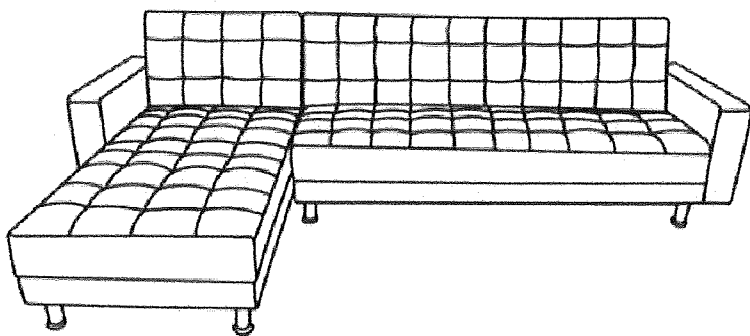

Step 3. Connecting the arms

Once the sofa and chaise are connected securely, Attach the arms by aligning the hinges from the arm to the sofa and chaise from the top. Make sure that both hinges on each arm are inserted

Note: If the hinges do not align, you can use a screwdriver to adjust the hinges to the correct position if needed .
