SPEC SHEET

wayfair | LED Surface Mount Downlight

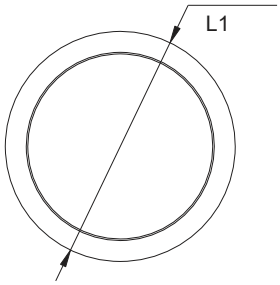

This integrated LED surface-mount downlight features an ultra-slim, sleek design with a smooth white trim, providing a clean, modern appearance. It mounts directly to most standard round or octagonal junction boxes for easy installation. Designed for both residential and commercial applications, this fixture features field-selectable color temperatures (CCT), allowing users to customize the light output to suit different environments and preferences.

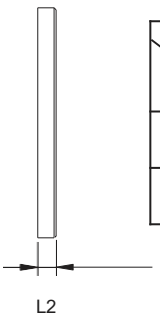

Applications: Ideal for residential spaces, offices, hallways, utility rooms, hotel rooms, and other commercial and residential environments.

SPECIFICATION				
Size	5"	7"	9"	12"
