If any part is missing, contact Customer Support before installation.

Measure Your Cabinet Opening(MCO)

Measure **INSIDE** the cabinet opening

Measure inside the opening.

How to Measure

1. Measure MCO-W at the narrowest inside point.
2. Measure D and H inside the cabinet.
3. Write down your numbers, then choose the correct size.

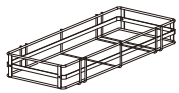

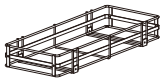

✓ Measure inside the opening ✗ Do NOT measure the outside cabinet width

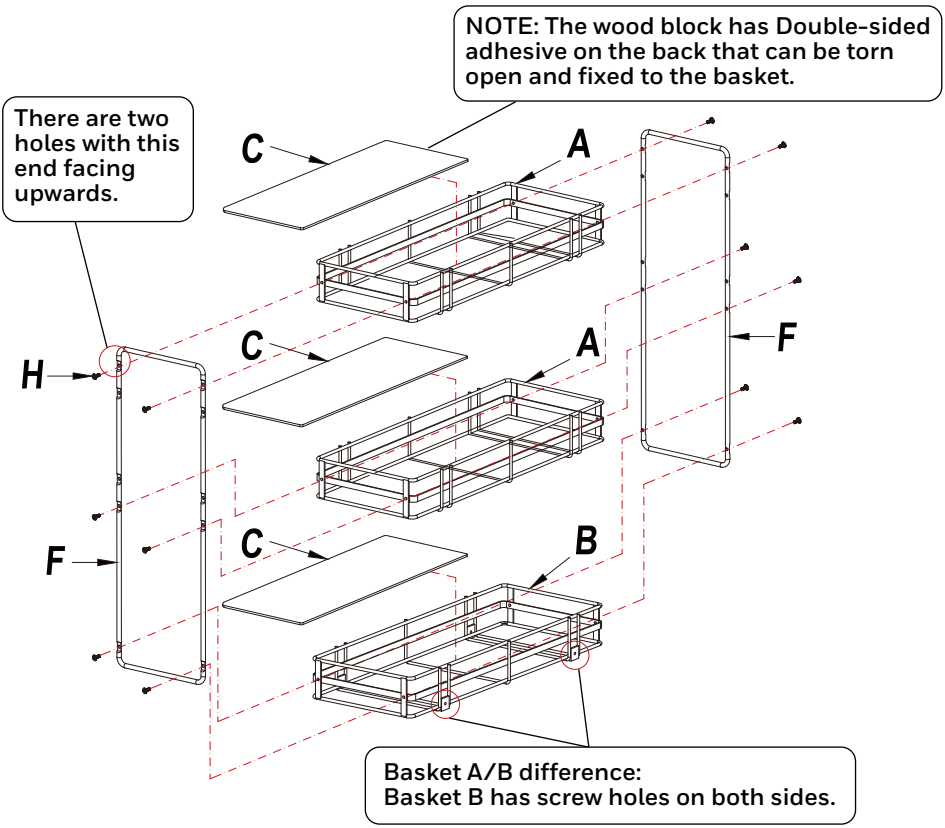

Your opening width (MCO-W) must meet the minimum requirement for your selected model.

INSTALLATION INSTRUCTIONS

STEP 1:Install the basket

1. Prepare basket (A) and (B), Wireframe Bracket (F),ST4*8 Screw (H), and wooden board (C).
2. ST4*8 Screw (H) through the screw hole of Wireframe Bracket (F) onto basket (A) and (B).
3. Install three wooden boards (C) into basket (A)and basket (B) respectively.

	A	B	C	F	H
Required Tools					

STEP 2:
Install the Sliding Rail Inner Rail(D).

1. Sliding Rail Inner Rail (D).
2. Use ST4x6 screws/through the screw holes on the sliding fixing plate onto the basket assembly.

	D	J
Required Tools		

STEP3- Mark Centerline & Position Template

Mark the cabinet centerline (Figure1).

- Measure the inside opening width and mark the center point.
- Draw a straight centerline from the front edge to the back.

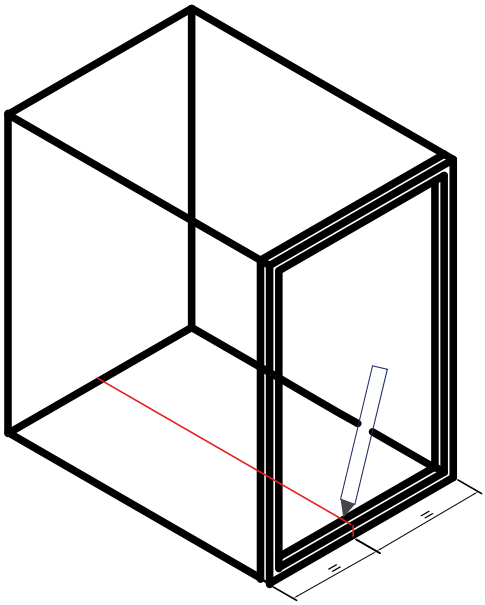

Place and align the drilling template(G)

- Fold template (D) along the dotted line.
- Align the template FRONT EDGE with the inside front edge of the cabinet opening.
- Align the template CENTER LINE with the cabinet centerline.

Secure and mark holes.

- Tape the template so it cannot move.
- Mark all hole locations with a pencil.

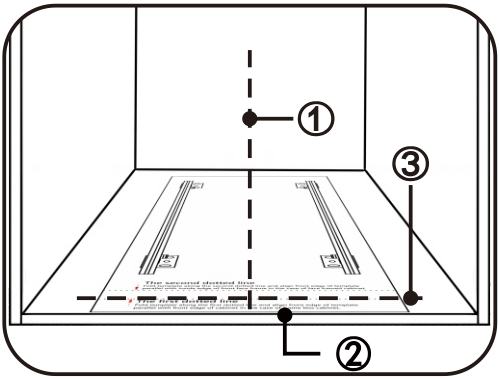

NOTE: Hole locations on template(D) match the slide rail mountingpoints.

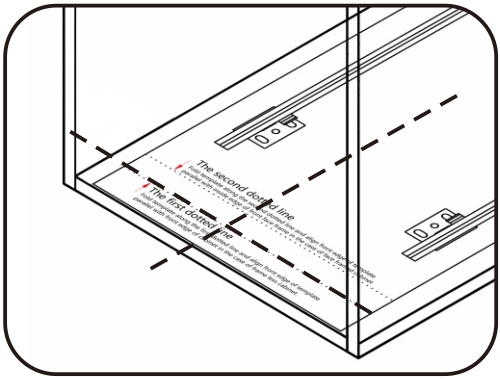

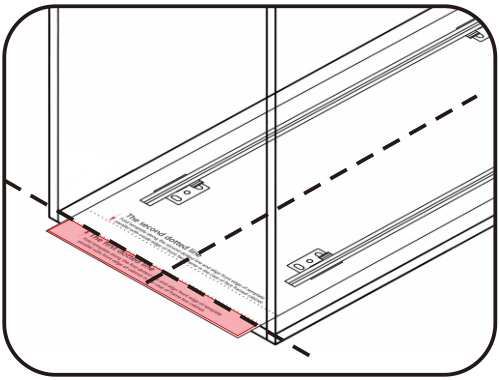

(Figure 1)

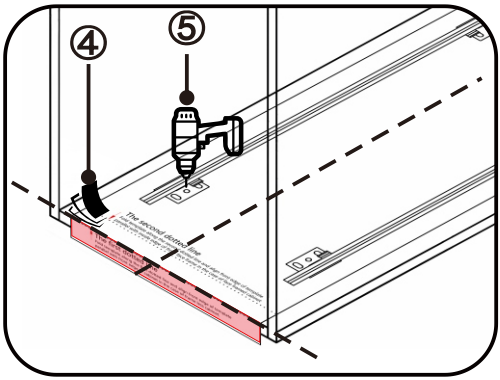

Frameless Cabinet

Fold, Align & Drill

① **CENTER LINE:** Align the template centerline with the cabinet centerline.

② **FRONT EDGE:** Place the folded edge flush with the inside front edge of the cabinet opening.

③ **First dotted line:** Fold along the first dotted line.

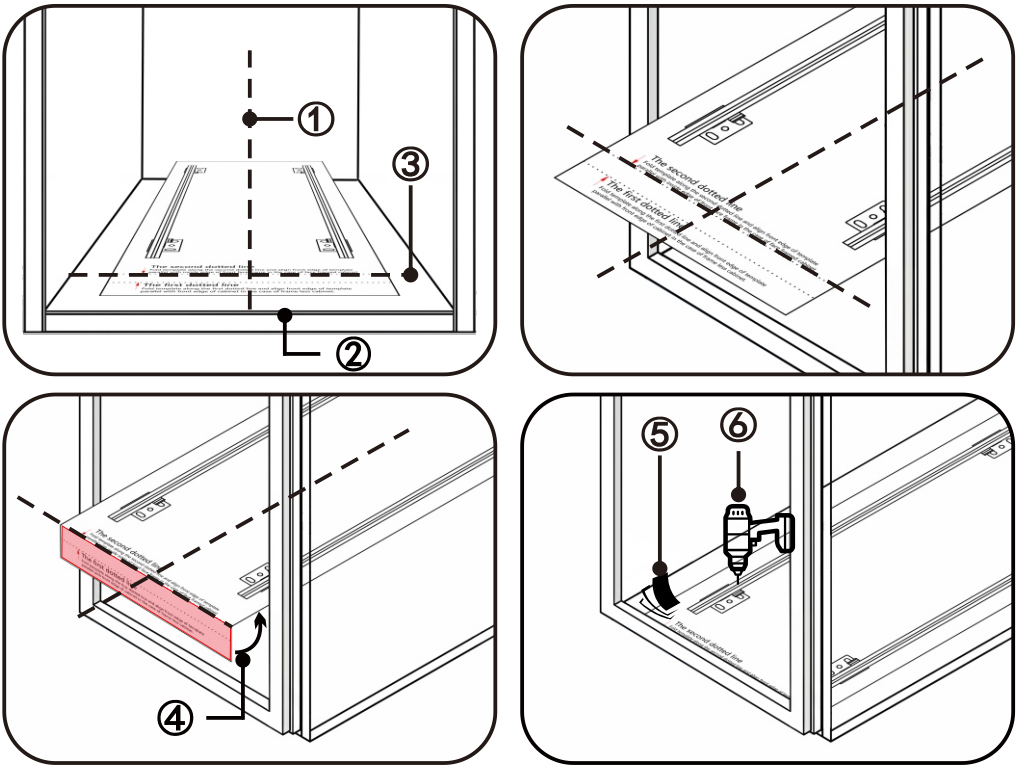

④ **Tape** :Tape the folded edge so the template cannot move.

⑤ Drill

- Pre-drill pilot holes (Ø 0.1 in / 2.5 mm) through the marked hole locations while the template is in place.
- Remove the template after drilling.
- Do not drill through the cabinet bottom.

Face-Frame Cabinet

Fold, Align & Drill

① **CENTER LINE:** Align the template centerline with the cabinet centerline.

② **FRONT EDGE:** Place the folded edge flush with the inside front edge of the cabinet opening.

③ **Second dotted line:** Fold along the second dotted line.

④ **Flip** :Fold the paper and flip it backwards

⑤ **Tape** :Tape the folded edge so the template cannot move.

⑥Drill

- Pre-drill pilot holes (Ø 0.1 in / 2.5 mm) through the marked hole locations while the template is in place.
- Remove the template after drilling.
- Do not drill through the cabinet bottom.

Install Slide Rails

① Position the Slide Rails

Identify rail orientation before installation.

- Locate the back end of each slide rail (with black rubber bumper).
- Make sure the black bumper end faces inward (toward the cabinet back).
- Align the rail mounting holes with the pre-drilled pilot holes.

②2Use four ST4 x 18 tapping screws (Screw I) to fix the slide rail seat (E)

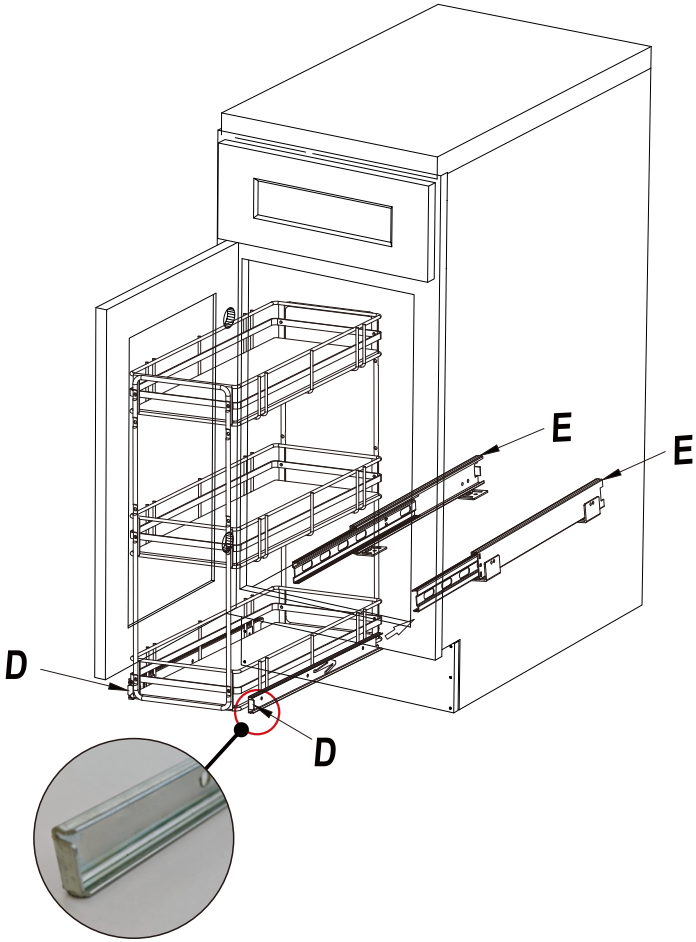

② Required Tools	E	I
		

③ Template alignment:

- The center hole on the installation template corresponds to the mandatory center mounting hole on the slide rail.
- The two side holes on the template indicate optional reinforcement screw positions.
- Install only one reinforcement screw, not both.

STEP 5:
Combination installation

1. Prepare the second step basket assembly and the third step slide rail fixed seat assembly.
2. Insert the basket assembly slide rail fixing plate into the slide rail fixing seat assembly.
3. Complete the installation.

Facing forward, pushing directly inward.

AFTER-SALES SERVICE CARD

We sincerely thank you for trusting our service and our products, and may this product add enrichment to your home. We guarantee that the product has undergone strict quality inspection and meticulous packaging. If you encounter any issue regarding either shipping or the product, please feel free to contact us at any time. We'd be more than happy to serve you wholeheartedly.

Yours Sincerely

- Please clean with a damp cloth and wipe dry.
- Please avoid harsh, corrosive and abrasive cleaners.

If you have any questions or concerns please feel free to contact us. We're committed to providing our customers with the quality service.
