Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/60

Leading the charge among our industrial chic offerings is our Matute Pendant, an edgy composition with a surprising mix of finishes. The dome-shaped shade is made of iron in a pewter finish. We dressed it up just a bit by adding a ring in a brass finish around the bottom edge. The interior of the shade has been treated to a polished brass finish to bring warmth to the illumination wafting from within the bold fixture.
