

Five-layer Open Bookcase

Assembly Manual

Please read this manual carefully before any operation
and keep it properly for future use.

⚠ WARNING

Keep all parts out of the children’s reach.

NOTE

- You need to have a **crosshead screwdriver** beforehand.

crosshead screwdriver

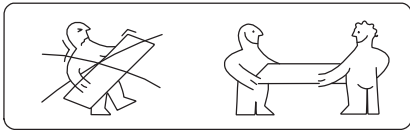

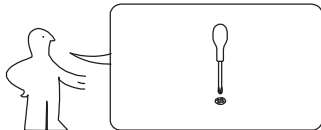

⚠ Not included in package.

- Place all the panels on a clean and smooth surface, such as a rug or carpet, to prevent them from being scratched.
- Make sure that all parts in your product package, including panels and accessories, match up with those listed in the **Panels & Accessories list**.
- Don't tighten screws or bolts until all the pieces are fitted.
- It is recommended to have 2 persons to complete the assembly.
