Electric tool should not be used to assemble this product.

Two people are needed

IMPORTANT SAFETY INFORMATION

- Please carefully read the following instructions and caution warnings before assembling the product.
- Following this guide will ensure that you install, use and maintain the product properly.
- Please keep this installation and user manual/instructions for future reference in case you need to disassemble the product.
- Never allow children to climb onto the product. Ensure that you have special safety measures when children are around on their own.
- Be sure to check that all parts of the product are intact after you open the package.
- Do not assemble if you notice serious damage such as cracks or bends.
- During installation, please use work gloves for hand safety.
- Please assemble the unit on carpeted floor or the flat cardboard box to avoid scratching the surface or your floor while assembling on the floor.
- To assemble, please use the complimentary installation tools (Phillips screwdriver). Pay more attention to the direction of components at each steps.
- It is recommended that two people work together to assemble the product.

RETURN POLICY

- Ensure the product is in a good condition with the original box and all original certificates of purchase, manuals, and accessories attached.
