

Assembly Instructions

Metal Stool

- ⚠ Before you throw the carton, please ensure that you have all the parts needed for the assembly.
- ⚠ **Hardware Note:**
 - 1. For each step please don't fully tighten all the screws at first, when they all align to the holes you can fully tighten them.
 - 2. All the bolts should be assembled **vertically** to the holes.
- ⚠ **Spare parts** can be found in the hardware box if you do not have enough bolts for assembly.
