Please inspect your play field before assembling this product. It is not possible to replace or repair the play field under warranty. Therefore, if the play field is damaged, the complete table needs to be returned to the place of purchase to be exchanged for a new table

Use a soft, clean and level surface to begin the assembly of your game table. (Such as the inside of the cardboard box, carpet, etc.). This will prevent the table surface from getting damaged. Make sure to remove any staples from the cardboard box before using it as an underground.

This game table will be partially assembled upside down and then turned over onto its legs.

When installing parts that have more than one screw or bolt, hand tighten all screws or bolts in place before tightening with screwdriver or allen key.

Electric screwdrivers may be helpful during assembly. However, please set a low torque and use extreme caution because screws may be stripped or over tightened if the electric screwdriver's torque is set too high.

**Warning:**

This product is intended for indoor use in a climate controlled environment only. Excessive temperatures and humidity may have an influence on the play quality and durability of this table.

This table should only be used by adults or under the supervision of adults. This table is NOT a toy.

Do not sit or lean on the table. Do not place anything on the top of the play field.

Do not drag the table when moving it, as this could damage the legs or unit beyond repair.

Do not place any food or drinks on the table.

Only use the table for its intended purpose

Check all screws, bolts, etc. with regular intervals to ensure that they are in good working condition and have not loosened overtime.

**Age Grade 8+:**

This product is not recommended for children under 8 years of age.

## Care and Maintenance

Pool tables are a long term investment that will last many years if you maintain them well. The felt on the pool table is delicate and must be cleaned with caution. Only use brushes that are made for pool tables and never scrub in a circular pattern. Vacuum dust off of the table after you brush it. Dab at spills immediately but never rub them. Only use pool table approved cleaners. Keep your table clean by not chalking over it, keeping it covered, and keeping anything that's not pool equipment off of it.
