

Storage Bins

Installation Instructions

- 1** Unfold the two side panels

- 2** Open the rear panel and fasten the connection

- 3** Cover the reinforced bezel

- 4** Install the top panel

- 5** Press and hold the white button, pull the door outward.

- 6** Open the other side using the same steps as before. There are also four wheels at the bottom for easy movement.

INSTRUCTIONS

Removable wheels have been installed on the bottom of the storage bin.

Warm Tips

- ❶ This product is made of PP, which is easy to produce deformation in a high-temperature environment. Please keep it away from heating objects such as furnaces.
- ❷ Use sponge and detergent for daily cleaning, please do not use a brush to clean.
- ❸ Make sure the buckle is pressed in place, it will be more stable.
