WARNING!

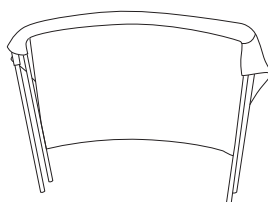

- This stroller is only suitable for four children. If the limit is exceeded, the platform may become unstable and may hurt the child. The maximum weight of the product is 160 pounds, the maximum limit of the front and rear storage baskets is 5 pounds, and the maximum limit of the side storage baskets is 2.5 pounds. This product is suitable for children aged 6-36 months. The seat is not suitable for children under 6 months old. Do not place items such as plastic bags or bags next to the stroller to prevent children from suffocating.
- Warning: Before use, make sure all locking devices are locked.
- Warning: Do not leave your child alone in the stroller.
- Warning: To avoid injury, please make sure your child is away from the product when folding and unfolding.
- Warning: Do not let your child play with the product.
- Warning: To avoid injuries caused by falling or sliding out, be sure to use a five-point safety belt.
- Warning: Before use, check to make sure that the connection devices of the child seat are properly locked.
- Warning: This product is not suitable for use while running or sliding.
- Placing any load on the handle will affect the stability of the vehicle.
- Do not park the stroller on a slope.
- Never leave children in the vehicle when going up and down stairs.
- When the stroller stops moving, apply the brakes.
- When using the stroller, check that the screws and other accessories are installed correctly.
- Do not fold the stroller when a child is in it.
- Do not remove the platform or adjust any part of the stroller when a child is in it.
- When you put a child in the stroller or take a child out of the stroller, you should activate the brakes.
- When you open or fold the stroller, keep the child away from the stroller.
- When disassembling the stroller, follow the instructions carefully to avoid unnecessary damage.
- Do not use accessories not provided by the manufacturer.
- Check the hardware and other parts regularly. If any part is damaged, do not use this product.
