

**LB5000S**

**Computerized Sewing & Embroidery Machine**

Home Sewing & Embroidery

- 80 Built-in embroidery designs, 103 sewing stitches and 9 fonts
- 4" x 4" Maximum embroidery area
- 4 Interchangeable character faceplates, 10 downloadable Star Wars and 10 bonus embroidery designs included

Get ready for a sewing and embroidery machine that is out of this world! Express your love for Star Wars with 3 interchangeable Classic character faceplates and a Star Wars logo faceplate. Easily switch between the Darth Vader, Princess Leia, and Droid faceplates with repositionable adhesive. Also included is the Star Wars Design Pack code for downloading 10 embroidery designs on [ibroidery.com](http://ibroidery.com), plus a code for downloading 10 additional galactic inspired designs.

This 2-in-1 sewing and 4x4 embroidery machine allows you to embroider and sew with ease. View your embroidery designs in full color on the large, 3.2" Sew Smart color LCD touch screen display, and preview your design edits on the screen, before stitching. Expanded embroidery design editing features include the ability to change individual thread colors, place lettering in an arc, move designs on the touch screen display with the touch of a finger, and much more. Choose from 80 fresh, inspiring embroidery designs built in or import your own designs through the USB port. Sewing features include 103 versatile built-in sewing stitches, needle up/down and variable speed controls and drop feed for creative free-motion sewing. Included are 7 quick-change sewing feet, with spring action zigzag, buttonhole, overcasting, monogramming, zipper, blind stitch and button sewing feet. The spring action zigzag foot is designed with a longer foot, and, combined with the longer 7-point feed dogs, help provide smoother fabric feeding.

Create custom patches, apparel, costumes and more with the LB5000S, Star Wars sewing and embroidery machine by Brother.
