

CARE AND MAINTENANCE

Leather surfaces on our product should be dusted regularly with a dry or slightly damp soft cloth. Avoid using saddle soap or other cleaners. Leather desks and tabletops have a lacquer coating, therefore they can be lightly waxed. Suede surfaces should only be cleaned with a dry, stiff brush. Exposure to liquid spills should be avoided since suede cannot be washed or cleaned like leather. 100% Bicast Leather.

NOTICE

- * Please make sure that you have all parts indicated before you begin assembly of this item
- * This item should be assembled on a soft surface to prevent scratching the finish during assembly
- * This item may require periodic tightening
