

Dragonfly Arch

Assembly Diagram

Parts List

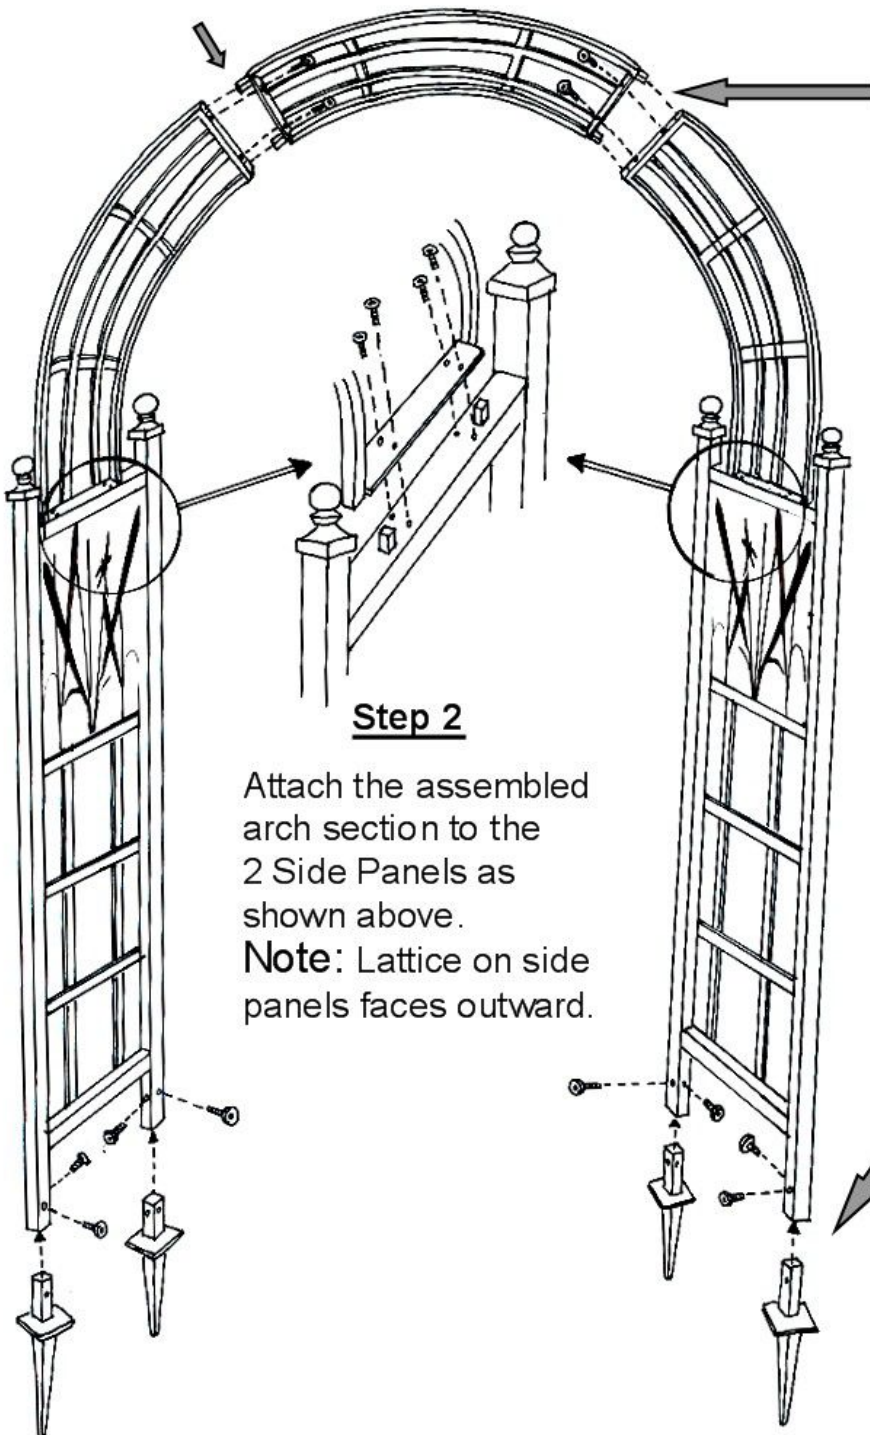

- 2 Side Panels
- 3 Curved Arch Sections
 - 1 center section with pins
 - 2 sections without pins
- 4 Ground Stakes
- 20 Screws

WARNING:

CHOKING HAZARD - Small parts. Not for children under 3 years.

Center Section with Pins on both ends

Step 1

On a flat surface, align the 3 Curved Arch Sections as shown. Fit the sections together and attach the Center Section to the other 2 Curved Sections with Screws provided.

Step 2

Attach the assembled arch section to the 2 Side Panels as shown above.

Note: Lattice on side panels faces outward.

Step 3

Insert the 4 Ground Stakes into the bottom of the 2 Side Panels and attach with Screws.
