

JULIAN CHICHESTER

Eco Side Table

An addition to our Eco Collection, this side table is adapted from a Giacometti Lamp from the 1930's. This beautiful piece is sculpted in Faux Gesso and cast Bronze.

Gesso is a hand applied finish which is moulded by hand. As a result the finish is unique in both appearance and texture.

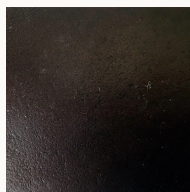

Bronze and Brass coating are hand applied finishes which are moulded and rubbed back by hand. As a result the finish is unique in both appearance and texture.
