

An original mattress for each person.

The Customizable Mattress.

1. The customizable mattress is delivered rolled up in a box with 1 or 2 kits of interchangeable tubes. It has 1 or 2 beds with 8 or 16 interchangeable zones.
2. Get your configuration according to your height, weight, gender, build and sleeping position.
3. Customizable at home using you and your partner's profiles independently, leaving you with a truly unique mattress.
4. Modify the configuration of your mattress zones easily whenever you want and adapt it to the characteristics of the people who use it.

Legend of firmness according to color of high resilience tubes
