### Installation Instructions

- Secure the mounting plate (1) to the junction box using the mounting screws (6).
- Connect the fixture wires (8) to the corresponding wires in the junction box using wire nuts (7). Insulate all connections with electrical tape and neatly tuck the wires into the junction box. Secure the ground wire (3) from both the fixture and the junction box to the mounting plate (1) with the green screw (2) to ensure proper grounding.
- Attach the canopy (5) to the mounting plate (1) using the screw (4), ensuring the fixture is firmly secured.
- Install the lampshade (11) onto the lamp socket (12) and secure it with the lamp base socket ring (10).
- Screw the light bulbs (9) (not included) into the lamp sockets (12) as indicated to complete the installation.

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
