

Echo II Floor Clock 611319

Enhance your living room with the Echo II pendulum grandfather clock. It combines the sleek look of tempered glass with a glossy white dial and base for an eye-catching modern style.

Functional and Modern: The Echo II pendulum grandfather clock has tempered glass panels for modern style. It also boasts a gloss white base and dial that complements any interior color palette.

Stainless Steel Details: This modern grandfather clock has a slim cylindrical pendulum with a stainless steel finish, which matches the hour markers and hands. The continuous sweep second hand is bright red, so it stands out against the dial.

Adjustable Lighting: The case of this all-glass grandfather clock can be illuminated with its LED light. It has three settings, which you can easily adjust by touching the top of the clock's base.

Stable on Uneven Floors: There are adjustable levelers under the corners of this timepiece, which allow you to place it on carpets or uneven floors.

Quartz Movement: This pendulum grandfather clock has quartz movement and requires one AA and two C batteries.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
