1

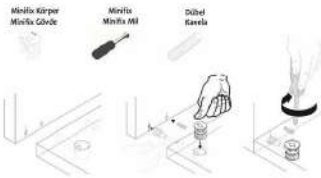

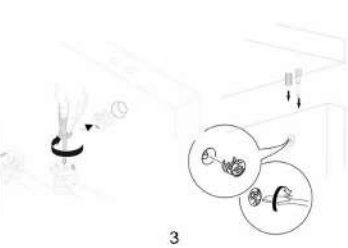

Dear Customer,
The product you bought was subjected to all sorts of tests and control before sending out to you. Even in this situation, sometimes it happen that some overpowers is damaged during the transportation. In such case please do not send the whole article back to us. Just request him for the damaged part. Most especially by the required part. Introduction Usually by looking to reverse card. Missing part will be sent to you as soon as possible.Before start assembling, please check the all the components and accessories according to the lists. After being sure that every part and accessory are okay and right, start assembling. Before start assembling, please clean all the components with a damp cloth.If you bought more than one product, to prevent confusion be sure that you completed the first product. Then start the other products assembling. Never draw the products. While carrying, disassemble and lift the product and carry with minimum 2 people. For long distances carry the product with the package.
It is very easy to maintain the surfaces at your product. It is enough to wipe with a damp and soapy cloth or other household cleaners.
Do not directly exposed your furniture with excessive heat, cold and humidity because the product can be affected.
