

## 3-Shelf Rolling Utility Cart, Chrome

- Weight capacity of 400 lbs
- 4-inch locking casters allow for easy transportation of heavy loads
- NSF-rated for commercial use
- 11-gauge steel wire construction to withstand heavy use
- Two 6-inch deep basket-style shelves adjustable to any height
- Dimensions: 18"L x 24"W x 40"H

This utility cart is not for the meek. With a commercial grade and an ability to easily move heavy loads from room to room with its locking wheels, this rolling cart is an ideal tool cart, perfect for heavy-duty items that need a place to land. It has a bar for easy maneuvering and a chrome finish that will work in any room of your home. Or use it as a kitchen cart as its wheels allow it to flow easily throughout the busiest room in your house.
