Installation

- Left-hand swing
- Surface-mount or recessed
- Includes mounting hardware for surface or recessed installation

Installation Notes

Install this product according to the installation instructions.

Cutout for recess-mount installation: 11-5/16" (287 mm) width 30-3/4" (781 mm) height 4" (102 mm) depth.

IMPORTANT! For recess mounting, the wall cavity must be framed and cabinet secured to framing studs. Reroute any electrical wires or water supply piping from the wall cavity. If you encounter drain or vent piping, or if your wall is load-bearing, consult a professional before proceeding.

CAUTION: Risk of property damage. For surface mounting, use anchors (not provided) rated for the loaded weight of this product. Refer to the anchor manufacturer's instructions.

When determining the height of the medicine cabinet, ensure the mirrored door will clear all obstacles (such as a faucet). A minimum distance of 3" (76 mm) is required.
