Step 1

Slide the Back Frame (E) into place atop the Seat Frame (D) using their tapered brackets. Keep an eye on the back flap to be sure that it is out of the way when sliding things into place.

Make sure that both components are properly aligned and sit flush with one another once complete.

Step 2

Next, wrap the back flap around and under the seat frame to velcro it in place.

Replacement

You

We really don't want you to go through the hassle of re-packaging your item and sending it back, because let's be honest...nobody has time for that.

Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly and for added safety check the tightness of all screws every 2 months.
