ASSEMBLY INSTRUCTIONS

IMPORTANT: MULTI-BOX SHIPPING NOTICE & INSPECTION PROTOCOL

1. Delivery Verification

Your sofa set is shipped in multiple boxes, which may arrive on different days. Please do not unpack or begin assembly until you have received all boxes. Confirm you have received all boxes. Inspect each piece carefully for any damage or defects that may have occurred during transit.

2. Missing or Damaged Parts

If any items are missing or damaged, please contact us immediately through your order platform. To help us assist you quickly, include clear photos of any missing or damaged parts. Our customer service team is ready to help.

FRIENDLY REMINDERS BEFORE YOU START

1. Assembly Crew: 2–3 people are recommended for assembly.
2. Cushion Care: Keep cushions in their vacuum-sealed packaging until the frame is fully assembled.
3. Removing Wrinkles: Due to vacuum packing, cushions may arrive with wrinkles. To help them regain their original shape, firmly pat each cushion a few times. Allow up to 72 hours for any remaining wrinkles to disappear.

RETURN & WARRANTY POLICY

1. We are committed to delivering high-quality products and exceptional service. If you need replacements or assistance, please don't hesitate to reach out.
2. In the unlikely event that an item arrives damaged or defective, kindly provide multiple photos as evidence to support replacement or refund requests.

2.7 Connecting Modules

Step 1: Standard Connection

Carefully lift the base frame of the module you wish to attach. Align its metal brackets with the corresponding brackets on the adjacent corner seat or armrest.

Step 2: Secure the Connection

Press down firmly from the top until the brackets are fully seated and you hear a click. This ensures a secure and stable connection between modules.

Important Note for Sofa Bed Configurations:

If you wish to install a single seat module on the opposite side of the sofa bed, you must first remove the armrest pins from the single seat frame and swap their positions. This ensures proper alignment and a secure fit.

Carefully cut open the vacuum-sealed packaging. Insert the cushion core into the cushion cover, then give each cushion a few firm slaps. Allow up to 72 hours for any wrinkles to disappear.
