

steps to care

taking care of your wooden barstool

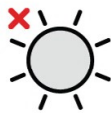

In case of spills, wipe promptly with lint-free cloth.

Dust often using a soft, clean, lint-free cloth to prevent dirt build-up.

Do not place product near wood stoves, radiators, etc.

Avoid direct sunlight to prevent fading.

Do not use abrasive or harsh chemicals to clean as this may damage the finish.

Avoid exposure to extreme temperatures.

Avoid harsh fabrics, paper towels or disposable dusting towels as they may scratch the surface.
