

Redondo

The Redondo is inspired by the Italian tradition of beauty, blended with contemporary comfort. Note the fine detailing, the offset circular floor that flares boldly upward, the lustrous finish and (depending on the model) the six or eight standard jets that are strategically placed for maximum comfort. Because of its elegant proportions, this perfect circle bath is a pleasure for you alone, or for as many as three persons. If you want to make a statement of beauty, elegance and comfort, the Redondo is the bath for you.
