**Corner seats**

# STEP

1

The storage stool (A) and the handrail (C) are connected by part (K).

Please tighten the screws to 50% first.  
Wait for all screws to be fixed and then tighten to 100%.

## STEP

2

Flip it so that its bottom is facing outward, and then use part (J) to connect the bottom of the storage stool (A) and handrail (C).

Please tighten the screws to 50% first.

Wait for all screws to be fixed and then tighten to 100%.

## STEP

3

Restore the cover cushions and cushions for single seats.

## STEP

4

When powered on, the connector can be used to charge your device.

Now that the corner seat is complete  
you can freely combine it with other modules

# STEP

You can fix the connection between the seats by means of a connector (J).
