## S/4 Glass Wall Mushrooms 8.81936 (Blue), 8.81937 (Metallic), 8.82169 (Red/Orange)

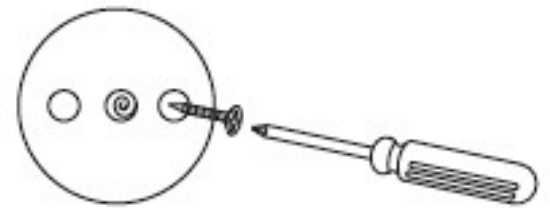

Parts	Glass Mushroom with Mounting Hardware	Phillips Screw Driver (Not Included)	2 Screws (Not Included)
			

Step 1 - Remove all pieces from box

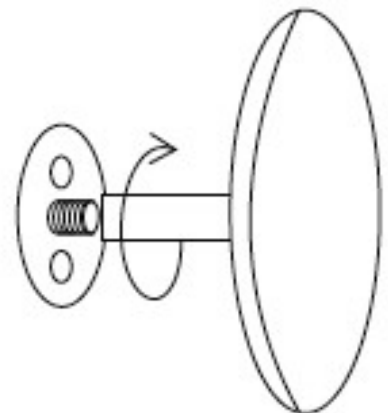

Step 2 - Hold the mushroom in one hand and the round metal mounting plate in the other. Turn the piece counterclockwise to remove mushroom from plate and metal stem

Step 3 - Place round metal mounting plate on wall and screw into place using screwdriver and 2 screws (not included)

Step 4 - Place the mushroom onto the metal stem and turn clockwise until tightened to fasten onto wall

Step 5 - Repeat for each mushroom until complete
