

WILDWOOD CHELSEA HOUSE

295846 • Acorn Framed Intaglios

18.5h x 12.5w x 1.5d

Wood

Black/Matte White

Three plaster intaglios are set inside a modern onyx-dyed wood frame to create a wall hanging that references the rich history of cameo art. With imagery of Oak tree elements native to the Texas landscape, the Acorn Framed Intaglios combine raw nature and refined living. Style alone or alongside additional artwork for a gallery-like display that is certain to start conversations.
