

ASSEMBLY INSTRUCTIONS FOR BASKET LOUNGERS

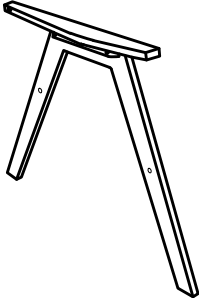

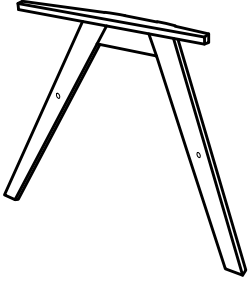

IMPORTANT ASSEMBLY TIPS:

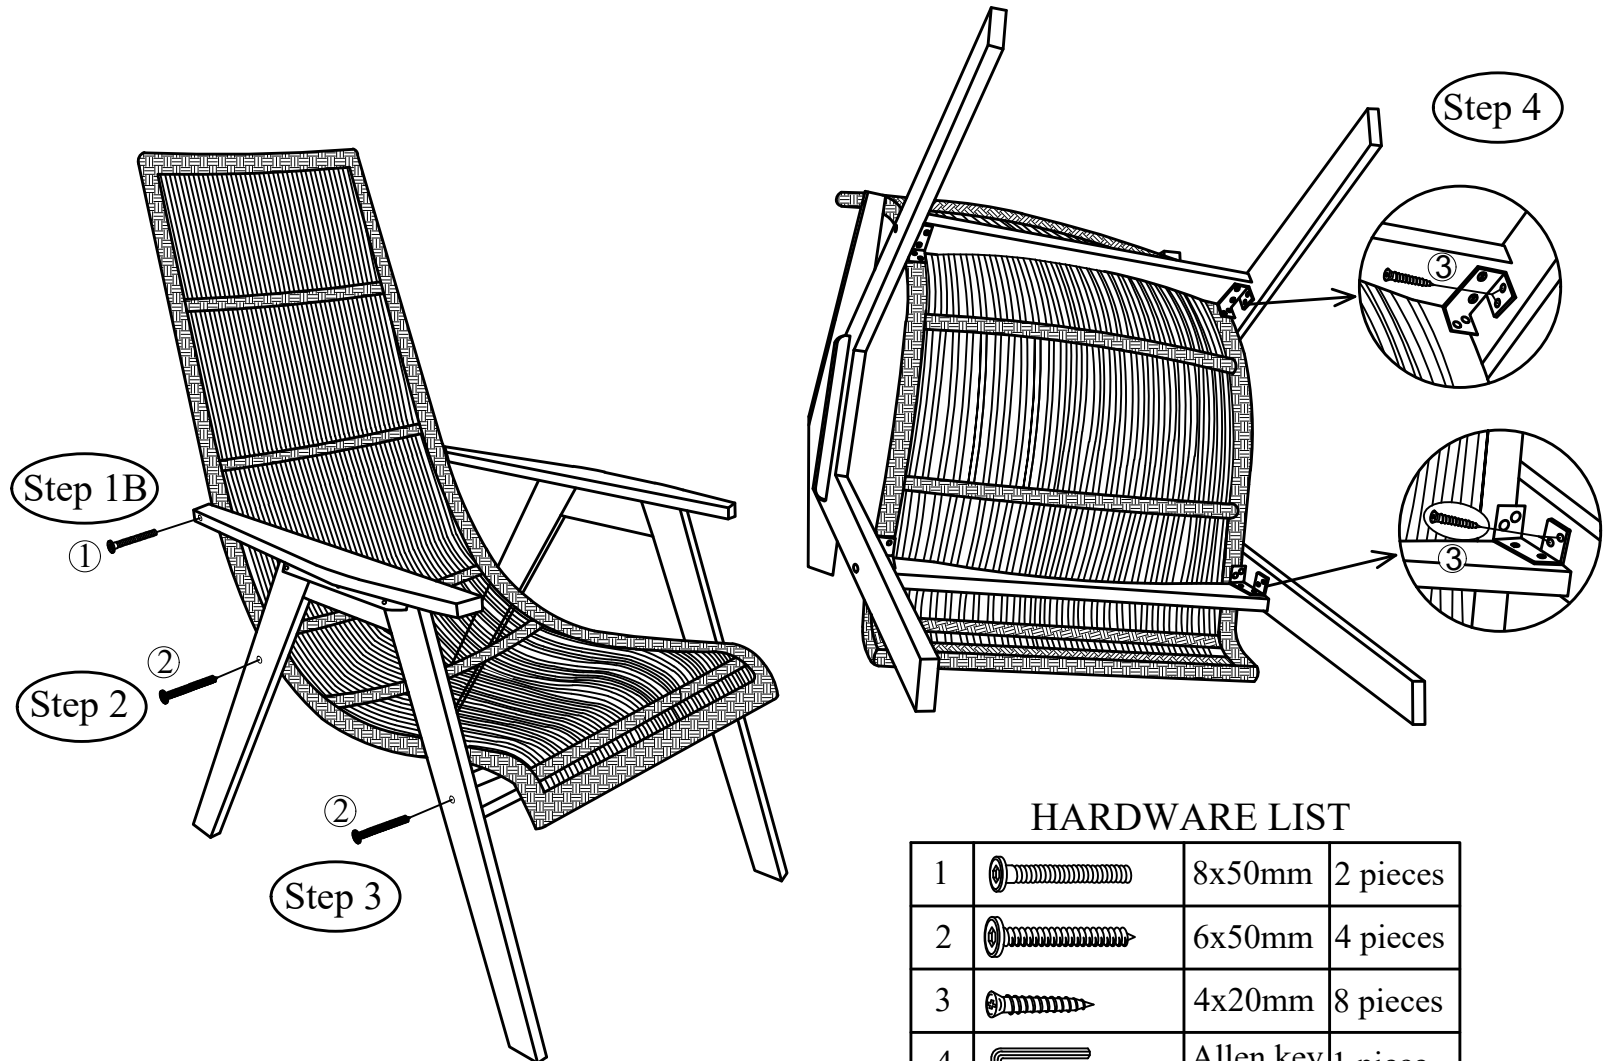

- STEP 1A. Each lounger has 3 main parts; Wicker Seat unit, and two arm units (bundled and banded together). Identify each Wicker Seat Unit with a sticker on the bottom that goes with two matching Arm Units with the identical matching letter sticker.
- STEP 1B. Assemble the single bolt on each arm first using light pressure to shift the arm unit over just a bit to align holes before tightening.
- STEP 2 & 3. Assemble (4) screws from Teak leg/arm units into curved wicker seat on both sides.
- STEP 4. Use a Phillips Head Screwdriver for (8) screws under seat for additional support and security.
