

# Cocktail Table Assembly Instructions

## Part List:

A		1PC	D		2PCS
B		1PC	E		3PCS
C		1PC	F		1PC

Do not fully tighten screws until completely assembled

**STEP 1**

Diagram for Step 1 shows the base bar (C) being attached to the leg (B). A screw (D) is used to secure the base bar to the leg, with a washer (F) placed between them. The leg (B) is shown in two orientations: one where it is being attached to the base bar, and another where it is already attached.

**STEP 2**

Diagram for Step 2 shows the leg (B) being attached to the base bar (C). Two screws (E) are used to secure the leg to the base bar, with washers (F) placed between them. The leg (B) is shown in two orientations: one where it is being attached to the base bar, and another where it is already attached.

**STEP 3**

Diagram for Step 3 shows the final assembly. The table top (A) is being placed on the assembled base. The base consists of the leg (B) and the base bar (C) attached to each other.
