

GARDNER PET DOG PLAYPENS

PACKAGE LIST

A: DOOR GATE X 1

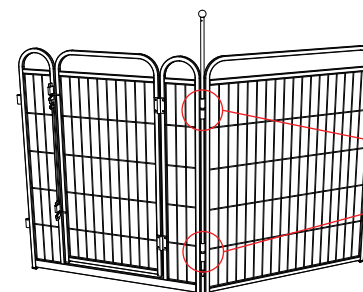

B: PANELS X 7

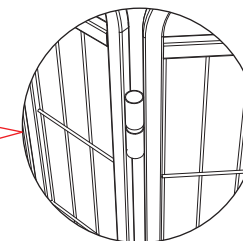

C: ANCHOR STAKE X 8

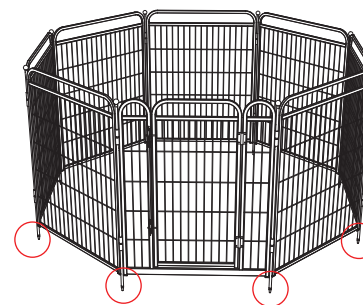

USER MANUAL

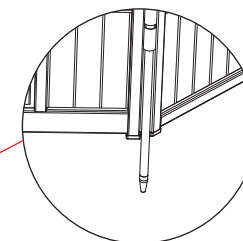

Step1: Align the sides of the fence panels and secure the connections one by one using the pins.

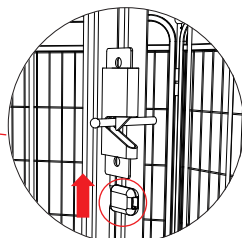

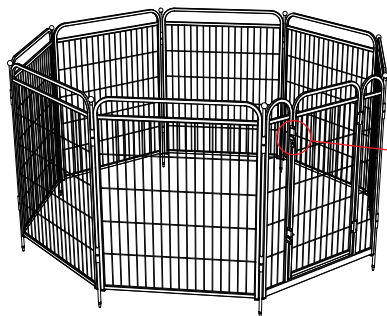

Align the upper and lower tubes, replace the inside and outside when uneven.

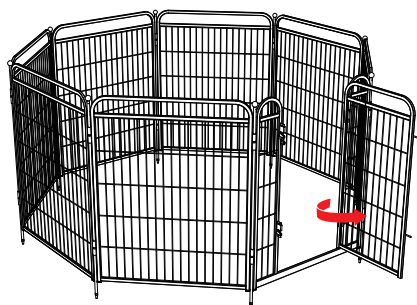

Step2: For outdoor use, after connecting with the pins, insert it into the lawn to secure. If you intend to use the dog playpen indoors, please ensure that you place a carpet or mat beneath it to protect your floor

USER MANUAL

Lift upwards

Unlock the gate

Precautions:

To ensure safe use, please read the following precautions carefully before use.

- Please follow the installation and disassembly instructions when using this product.
- Please choose a flat surface for installing the fence to ensure stability.
- When putting pets inside the fence, please ensure they are not wearing collars to prevent the collars from getting tangled in the fence and leading to accidents!

As the products is heavy, to reduce unnecessary inconvenience, and additional cost, if you want to return the package, please contact us for a better return experience, thank you!
