

ASSEMBLY INSTRUCTION

VIVIAN QUEEN BED

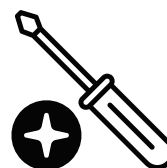

Please carefully review these instructions and retain them for future reference. Consult the parts inventory for assistance and verify that you have all components before beginning assembly. When assembling, place all parts on a soft, clean, and flat surface, such as a carpet, to avoid scratching. Store all hardware parts out of the reach of children.

DO NOT USE POWER TOOLS, AS THIS
COULD LEAD TO BOLTS BEING STRIPPED
OR OVER-TIGHTENED.

IMPORTANT INFORMATION

The seller and manufacturer disclaim all liability for property damage, personal injury, or loss, whether direct, indirect, or incidental, arising from incorrect assembly, inadequate maintenance, improper use, or neglect of this product.

- Retain these assembly instructions for future reference.
- Inspect all packing materials carefully to locate any small hardware that may have shifted during shipment.
- Verify and count all hardware and parts against the provided parts list. Handle parts with care, as some may have sharp edges or be heavy.
- Do not use the product if any parts are missing, damaged, or broken. Repairs or factory replacement parts must be installed before use.
- Follow the assembly instructions carefully, as improper assembly may result in injury or property damage.
- Place all wooden furniture parts on a clean, flat, and soft surface to prevent scratches.
- Ensure all bolts are fully secured before use.
- Recheck and tighten all bolts every few months.
- Avoid using or storing the product near open flames or flammable chemicals.
- If placing the product on non-carpeted flooring, use floor protection such as an area rug or furniture pads (not included with purchase).
- Do not drag or push the bed frame. To move the frame safely, always lift and reposition it with the help of two people. Dragging or pushing may cause damage to the legs, slats, or center support legs.
- If a replacement part is needed, contact the retailer where the product was purchased and include relevant images for reference.
