

FLASK GRAND PENDANT

ITEM NO. PEN-FLA-GD	DESIGNER JEREMY PYLES	DATE 2022	SERIES CONSTELLATION
---------------------	-----------------------	-----------	----------------------

Funneling soft beams of light, the Flask Grand and Flask Petite low-voltage pendant lights are a sophisticated addition to the Constellation Series. The Flask Grand is a gentle giant that cradles light effortlessly in its base of convex glass. Although monumental in size, adding multiples can bring a methodical calmness to a space. The Constellation Series pushes the boundary of both scale and technology. Each glass shade is suspended from a low-voltage coaxial cable and illuminated by a custom LED source positioned out of sight within a premium metal glass holder.
