ASSEMBLY INSTRUCTION
CHAIR

Legs and hardware are stored inside the box, please take them out for assembly.

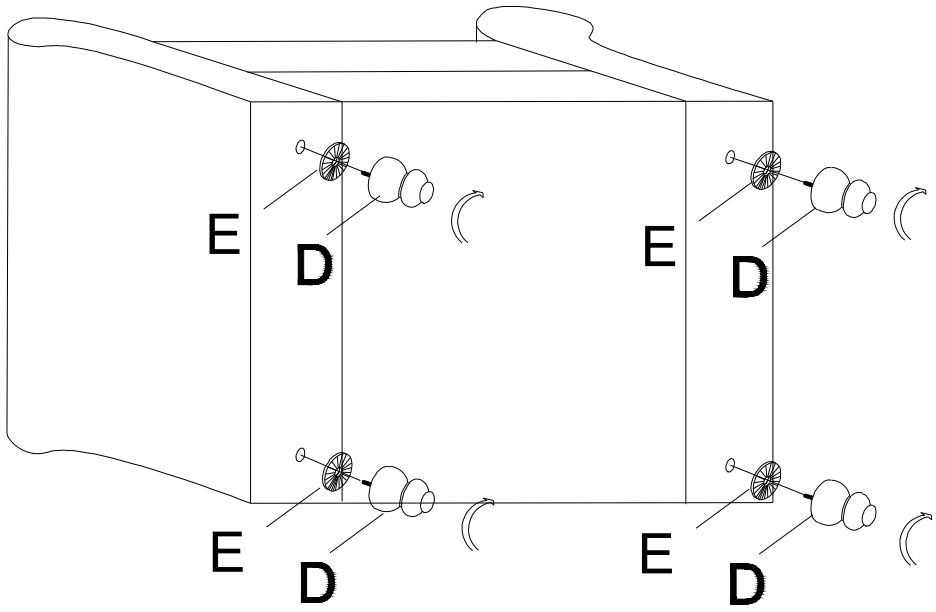

Note: Do not use power tools for assembly. Power tools increase the risk of over-tightening, which may lead to splitting or cracking the wood.

COMPLETED

Care Instructions for Jacquard Furniture:

To maintain the original appearance of your jacquard furniture, please follow these simple care procedures:

- **Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Prolonged exposure to sunlight or heating and air conditioning outlets will cause jacquard to fade or deteriorate.**
- **Regularly vacuum or dust with a soft, dry cloth.**
- **Monitor hardware periodically. Fasteners may loosen over time. Inspect all connections regularly to ensure they remain tight. Re-tighten if necessary.**

For use on wooden floors, hard surfaces, or carpets, it is highly recommended to install protective felt pads under all legs and supports to prevent scratches, scuffs, and discoloration.
