

Red Hook 625703

The lines are the focal point of this distinctive and oversized wall clock destined to be the focal point of the room. Exuding a sense of contemporary sophistication, it's a visual masterpiece that also happens to be a practical addition to any residential or professional space. It's a commanding piece sure to fit perfectly into transitional or modern interior design.

Sleek Sophistication: Its rectangular silhouette alone helps this dramatic iron wall clock stand out. It features complementary hour markers designed to replicate slender iron bars. Each is finished in aged charcoal for a sophisticated appearance, while wood veneered inserts bearing an aged brown, wire-brushed finish add a touch of contrast to the design. Each insert marks the 12, 3, 6, and 9 positions.

Quartz Movement: This clock operates with quartz movement requiring one AA battery.
