

WARNING

- * Switch off the main electrical supply from the main fuse box / circuit.
- * Breaker before installation.
- * Inspect item carefully before attempting to install.
- * If there is any damages or obvious defects, do not install.
- * Item may not be returned once it has been installed.

CARE AND MAINTENANCE

- * The best and safest cleaner for a mirror is clean, warm water used with a soft cloth. Be careful not to allow the edges of the mirror to get or remain wet over a period of time.
- * If using a commercial glass or mirror cleaner, be sure to use a standard brand of glass or mirror cleaner that does not contain ammonia or vinegar. Do not use Windex. Never spray any cleaner directly on to a mirror. Instead, apply the cleaner to a soft cloth and then wipe the mirror.
- * Always use soft, grit-free cloths when cleaning a mirror to reduce chances of scratching the surface.
- * Be sure to dry all joints and edges thoroughly to be certain that no commercial cleaner comes in contact with the edges and backing.
