### Tips:

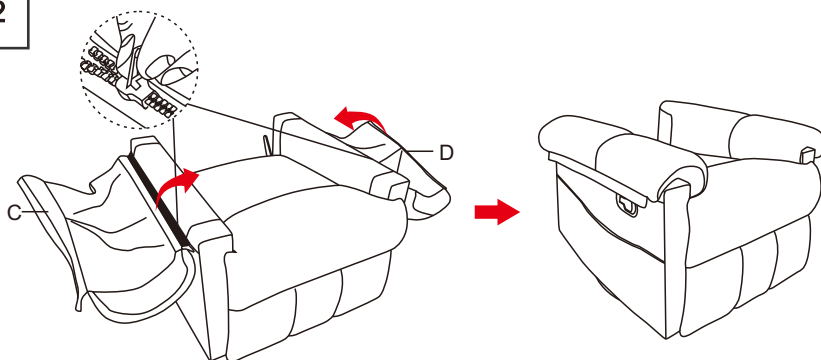

Please check the bottom and rear of the seat cushion. Some accessories, such as small power parts and other recliner components, are placed there. Since different products have varying components, ensure you find all of them for a complete recliner assembly.

# Assembly Instruction

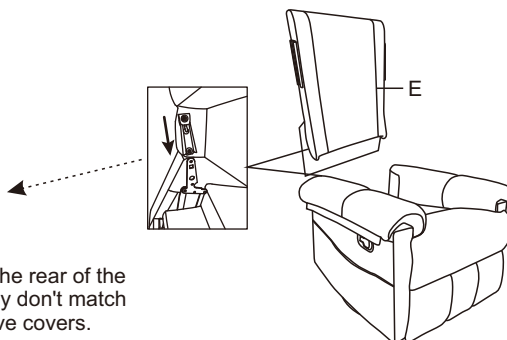

## Step 1

## Step 2

## Step 3

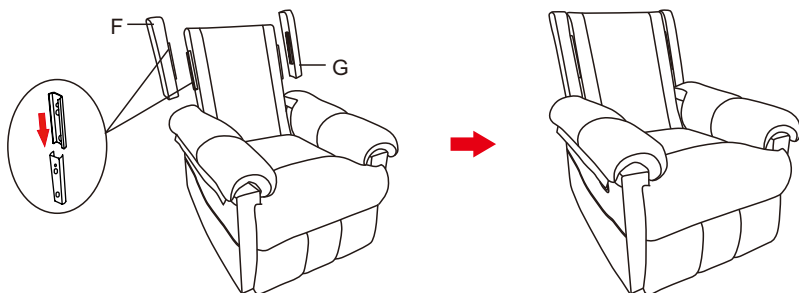

### Tips:

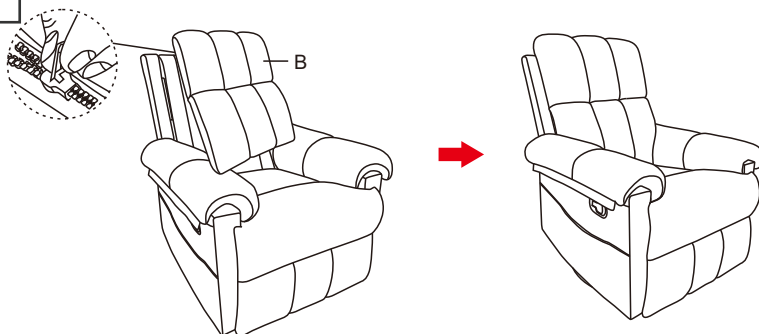

The iron plates on both sides at the rear of the seat cushion are protected. If they don't match the pictures, remove the protective covers.

# Assembly Instruction

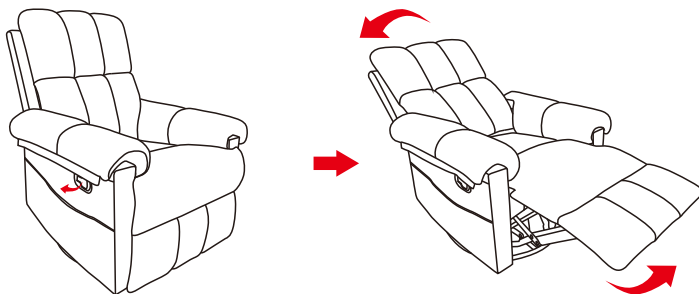

## Step 4

## Step 5

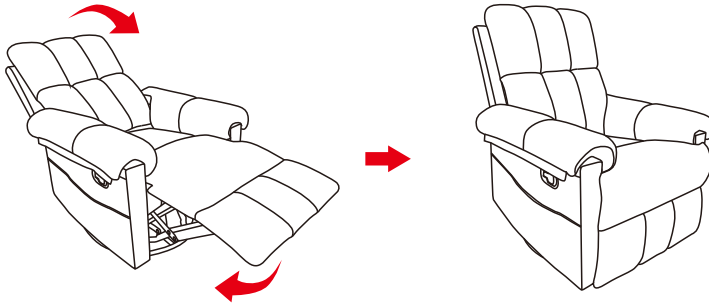

## Step 6

# Assembly Instruction

## Step 7

The recliner is shipped brand-new. Some force is required to retract the footrest. It will become easier with more use. Sit upright and press the end of the footrest with the heel of your foot to retract it.

# WARRANTY

So glad you have completed the assembly and can enjoy it. If you are satisfied with our products, thank you for showing your favored recliner to your around.

We are working on delivering you a perfect recliner, but sometimes the parts may still be damaged or lost in transit.

If any parts are damaged or lost, please contact us immediately, we will give you a perfect solution.

## Methods:

If you buy our products online, go to your order detail page to contact us (guaranteed response within 24 hours).

## Reason for return:

If the product is returned due to non-product quality issues or due to the buyer's erroneous order or subjective issues, please contact the seller about the return shipping fee.

If the product has quality issues and needs to be returned, please describe the problem and attach detailed pictures.

Our after-sales team will verify the situation and provide solutions for you as soon as possible after receiving the information. We will do our best to solve your problem and ensure that your rights are protected.

Thank you for your understanding and support!
