

Quick Start & Care Guide

L-Shaped Executive Desk | Model MBS-LBZ-3101

Complete assembly instructions are included in the packaging.

This brief guide covers preparation, basic care and warranty information. Use the enclosed manual for the parts list, hardware identification and step-by-step assembly.

01 Before you begin

This desk ships in **3 cartons**, which may arrive separately. Locate all cartons and check the enclosed parts and hardware lists before assembly.

Inspect the panels and hardware for damage. If anything is missing or damaged, contact the seller through your order page before continuing.

Two adults are recommended for handling and assembly. Prepare a clear, level work area and protect the floor and finished surfaces.

02 Assembly preparation

Choose the desk position and return orientation before assembly. Follow the enclosed manual for the correct sequence and fasteners; this brief guide does not replace those steps.

Keep the power module disconnected during assembly. Follow its supplied instructions and rating label before connection. Do not use damaged cords or electrical components.

03 Everyday use and care

Use indoors in a dry location. Keep electrical components dry and avoid standing, sitting or climbing on the desk.

Wipe surfaces with a soft, slightly damp cloth and dry promptly. Avoid abrasive cleaners, harsh solvents and prolonged moisture exposure.

Periodically check accessible fasteners for looseness. Do not drag the assembled desk when moving it.

04 Limited warranty and support

Power module: 1 year. Other components: 5 years. Damage caused by misuse or intentional damage is not covered.

For missing parts, damage, assembly questions or warranty support, contact the seller through your order page. Include your order number, model MBS-LBZ-3101, the part identifier from the enclosed manual and relevant photos.
